# Memo

To: Honorable Mayor and Town Council  
From: John Zagurski, Finance Director  
CC: Drew Corn, Town Administrator  
Shirley Rogers, Town Secretary  
Date: September 12, 2019  
Re: Quarterly Investment Report – Third Quarter FY 2019

---

During the third quarter of FY 2019, the Town earned interest revenue of \$138,081.69. When comparing the interest earnings to the prior quarter, the Town incurred a decrease in interest earnings of \$930.90 or less than 1%.

Approximately 81% of the investments that the Town holds are in LOGIC. This entity allows local governments within Texas to “pool” their money together to earn increased returns over individual investment options. One advantage of the pooled system is same day access to funds should the need arise. The pool is maintained in accordance with the Public Funds Investment Act. The pool’s interest yield is regularly compared to Treasury Bills because of the similarities in security. Treasury Bills are sold by the US Government and are considered the most conservative investment option, often having the lowest interest yield. The Treasury Bills return remains low, fueling low earnings in the pools.

The remainder of the Town’s investments are held in an interest bearing account with Wells Fargo. The interest rate offered through Wells Fargo is comparable to that of investment pools and allows the Town to use the balance to earn credits to offset banking fees. The investments are partially covered from bank default by FDIC insurance with the remainder fully collateralized with the collateral held by a third party.

If you have any questions regarding this report or need further information please contact me at 940-242-5706.

Re: Quarterly Financial Report—Third Quarter 2019

---

Due to the delay in quarterly reporting, staff is presenting the most current financial report by providing the report as of the July 31, 2019. The next quarterly report will be as of September 30, 2019.

By the end of the third quarter, General Fund revenues were tracking at 94% received. This is primarily due to the property taxes, building permits, development revenues, and interest earnings. General Fund expenditures have 24% remaining as of the end of July, which is on track for the year.

Hotel Occupancy Tax revenues are tracking higher than anticipated and will likely exceed even the revised budget. Total expenditures are tracking 11% below expectations primarily due to the budgeted conference center feasibility study not being initiated yet. Payroll expenses are tracking higher than anticipated due to Police Officers working special events at the Texas Motor Speedway, but the expenditures are offset by the reduced usage of outside services.

NEDC and NCDC revenues are higher than anticipated due to increased sales tax collections. Expenditures are lower than anticipated but are expected to meet budget before the end of the year when payments are made for development incentives.

Both the revenues and expenditures in the Water/Sewer fund are lower than anticipated due to the rainy weather. The past two months have been dryer, but it is likely that water and sewer revenues will fall short. This will have a negative impact on reserves. Next fiscal year a rate study is budget and that will evaluate the Town's rates, to ensure our rate struct protects against future dry years.

Re: Overview of Town of Northlake Portable Toilet Regulations

---

Councilor Lambert and Mayor Pro Tem Montini has requested a briefing on portable toilet regulations in the Town of Northlake with an opportunity for Town Council discussion. The important issue as understood is preventing portable toilets from tipping over and if the toilets do tip over some associated penalty and fine.

While the Town does not have any regulations that specifically mention portable toilets, I have found a few regulations in the Northlake Code of Ordinance that provide some enforcement authority. Section 7.02.003 of the Code mentions an “unsanitary matter” which a tipped over toilet could be considered. This ordinance gives the property owner seven days to correct the matter but provides no penalty or fine. Section 7.05.056 requires property owner’s responsibility “keeping property clean” which could also be used. This section gives property owner ten days to correct but provides not penalty or fine.

Town staff has been proactive when dealing with the placement of portable toilets not allowing them to be place in the right-of-way. We have asked all contractors and service providers to stake their portable toilets and have observed that this is occurring. During high winds, Public Works crews and the Code Compliance Coordinator have monitored construction sites and have notified contractors when portable toilets have overturned and in many cases have up-righted the toilets.

Please contact me at 940.242.5701 if you have any questions or comments.

Re: Agreement with Bureau Veritas for Health Inspection services

---

The Town requires health permits and inspections for all food establishments and public pools. Food establishments include such things as restaurants, convenience stores, hotel breakfast bars, and even kitchens within schools or childcare centers. Public pools include pools at hotels, apartment complexes, and community amenity centers. The health inspections profession is highly specialized, so the Town has used a third-party contractor to perform all health inspections up to the hiring of our first Code Compliance Coordinator, Doug Patrick, in January 2018 who happened to be a Registered Sanitarian certified to perform health inspections. Doug Patrick resigned from his position with the Town in July. Since then we have contracted with Bureau Veritas to conduct any necessary health inspections on an as needed basis. Bureau Veritas is a leader in the inspections industry and contracts with several other cities in the area as shown on the attached list of references. The attached agreement is for Bureau Veritas to provide on-going health inspection services for the Town.

Please contact me at 940.242.5703 if you have any questions or comments.

## STANDARD PROFESSIONAL SERVICES AGREEMENT

This STANDARD PROFESSIONAL SERVICES AGREEMENT (“Agreement”) is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2019, by and between Bureau Veritas North America, Inc., (herein called “BVNA”), and the Town of Northlake, Texas, (herein called “Client”).

### RECITALS

WHEREAS, the Client desires that BVNA provide independent professional services for Client under the terms of a Standard Professional Services Agreement;

WHEREAS, BVNA represents that it is a professional independent consulting firm and is willing and able to perform such services upon terms and conditions hereinafter set forth;

WHEREAS, all services will be conducted in accordance with these terms and conditions and the agreed upon Scope of Services and Fee Schedule the forms of which are attached as Attachments “A” and “B” respectively.

NOW, THEREFORE, in consideration of the foregoing and of the benefits to each of the parties accruing, the parties hereto do mutually agree as follows:

### AGREEMENT

1. **Scope of Services.** During the term of this Agreement, Client may call upon BVNA to perform specific work from the scope to be defined per project in accordance with the agreed upon fees. Individual projects may be delineated via a specific proposal in accordance with the terms and conditions set forth in this Agreement. BVNA agrees to furnish services in conformity with the terms hereof and the following documents which are incorporated by reference and made a part hereof. No subsequent amendment to this Agreement shall be binding on either BVNA or Client unless reduced to writing and signed by an authorized Representative of BVNA and Client. Any pre-printed forms including, but not limited to: purchase orders, shipping instructions, or sales acknowledgment forms of either party containing terms or conditions at variance with or in addition to those set forth herein shall not in any event be deemed to modify or vary the terms of this Standard Professional Services Agreement.

2. **Term.** This Agreement shall remain in effect from the effective date of the Agreement unless terminated by written notice to the other party at least thirty (30) days prior to termination.

3. **Compensation.** Client shall pay, and BVNA shall accept in full consideration for the performance of the Services, the sum of the reimbursable costs submitted per proposal in accordance with the agreed upon fee schedule per project.

4. **Terms of Payment.** BVNA shall invoice Client and Client shall pay to BVNA for its consulting services as follows:

- (a) Fees and all other charges will be billed to Client monthly.
- (b) If the invoice is not paid within such period, Client shall be liable to BVNA for a late charge accruing from the date of such invoice to the date of payment at the lower of eighteen (18) percent per annum or the maximum rate allowed by law.
- (c) If Client fails to pay any invoice fully within thirty (30) days after invoice date, BVNA may, at any time, and without waiving any other rights or claims against Client and without thereby incurring any liability to Client, elect to terminate performance of services immediately following written notice from BVNA to Client. Notwithstanding any such termination of services, Client shall pay BVNA for all services rendered by BVNA up to the date of termination of services.

5. **Responsibilities of Client.** Client shall, at such times as may be reasonably required by BVNA for the successful and continuous prosecution of the services set forth in Attachment A (referred to as “Services”), do the following:

- (a) Where the performance of the Services require BVNA’s presence on the Client’s premises, provide adequate space on or in the immediate vicinity of where the Services are to be performed (“Site”) to accommodate BVNA’s needs;
- (b) Provide and maintain suitable access to the Site for BVNA's personnel, equipment and materials;
- (c) Supply permits and licenses required to be taken out in Client's name which are necessary to the completion of the Services;
- (d) Appoint an individual hereafter referred to as “Client's Project Manager” who shall be authorized to act on behalf of Client and with whom BVNA may consult at reasonable times.

6. **Ownership of Documents.** All plans, studies, documents and other writings prepared by BVNA, its officers, Employees, agents and subcontractors in the course of implementing this Agreement shall remain the property of BVNA. The Client acknowledges that all intellectual property rights related to the performance of the Agreement, including but not limited to the names, service marks, trademarks, inventions, logos and copyrights of BVNA and its affiliates, (collectively, the “Rights”) are and shall remain the sole property of BVNA or its affiliates and shall not be used by the Client, except solely to the extent that the Client obtains the prior written approval of BVNA and then only in the manner prescribed by BVNA. If BVNA terminates the Agreement in accordance with the provisions of Article 19 below, any such license granted by BVNA to the Client shall automatically terminate.

7. **Use of Data or Services.** BVNA shall not be responsible for any loss, liability, damage, expense or cost arising from any use of BVNA’s analyses, reports, certifications, advice or reliance upon BVNA’s services, which is contrary to, or inconsistent with, or beyond the provisions and purposes set forth therein or included in these Terms and Conditions. Client understands and agrees that BVNA’s analyses, reports, certifications and services shall be and remain the property of BVNA and shall be used solely by the Client, and only the Client is allowed to rely on such work product. If the Client re-uses or modifies the services, analyses, reports or certifications without BVNA’s written permission, then Client agrees, to the extent permitted by law, to defend and indemnify BVNA from any claims or actions that are brought and any costs, damages, expenses or liabilities, including reasonable attorneys’ fees, arising out of or related to such reliance or such re-use or modification. The Client recognizes that data, documents, or other information recorded on or transmitted as electronic media are subject to undetectable alteration, either intentional or unintentional due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, any electronic documents provided to the Client are for informational purposes only and are not intended as an end-product. BVNA makes no warranties, either expressed or implied, regarding the fitness or suitability of the electronic documents. Accordingly, the Client agrees to waive any and all claims against BVNA and BVNA’s Consultants relating in any way to the unauthorized use, reuse or alteration of the electronic documents. BVNA acknowledges, understands, and agrees that Client is a governmental entity and as such Client is required to comply with certain records retention and open records laws applicable to Texas governmental entities. To the extent any applicable law requires Client to maintain copies of BVNA’s analyses, reports, certifications, or documented services, such copies shall be considered property of the Client for such purposes. In no event will Client be liable for any third party’s use of or reliance on copies of BVNA’s analyses, reports, certifications, or documented services regardless of how the third party came to be in possession of such information.

8. **Relationship of Parties.** BVNA is an independent contractor, and nothing contained herein shall be construed as constituting any other relationship with Client, nor shall it be construed as creating any relationship whatsoever between Client and BVNA's employees. BVNA shall not be entitled, under this contract or otherwise, to any of the benefits under any employee benefit plan which Client or its affiliates or subsidiaries presently has in effect or may put into effect; nor will BVNA be considered an employee for purposes of any tax or contribution levied by any federal, state or local government. BVNA has sole authority and responsibility to hire, fire and otherwise control its employees, and neither BVNA nor any of its employees are employees of Client. BVNA agrees to comply with laws, rules, regulations and ordinances applicable to it as an employer.

9. **Standard of Care.** BVNA REPRESENTS THAT THE SERVICES, FINDINGS, RECOMMENDATIONS AND/OR ADVICE PROVIDED TO CLIENT WILL BE PREPARED, PERFORMED, AND RENDERED IN ACCORDANCE WITH PROCEDURES, PROTOCOLS AND PRACTICES ORDINARILY EXERCISED BY PROFESSIONALS IN BVNA’S PROFESSION FOR USE IN SIMILAR ASSIGNMENTS, AND PREPARED UNDER SIMILAR CONDITIONS AT THE SAME TIME AND LOCALITY. CLIENT ACKNOWLEDGES

**AND AGREES THAT BVNA HAS MADE NO OTHER IMPLIED OR EXPRESSED REPRESENTATION, WARRANTY OR CONDITION WITH RESPECT TO THE SERVICES, FINDINGS, RECOMMENDATIONS OR ADVICE TO BE PROVIDED BY BVNA PURSUANT TO THIS AGREEMENT.**

10. **Indemnity.** Subject to the Limitation of Liability included in this Agreement, BVNA shall defend indemnify and hold harmless Client from and against losses, liabilities, and reasonable costs and expenses (for property damage and bodily injury, including reasonable attorney's fees), to the extent directly and proximately arising from BVNA's negligent performance of services or material breach under this Agreement.

11. **Limitation of Liability.** To the fullest extent permitted by law and notwithstanding anything else in this Agreement to the contrary, the total aggregate liability of BVNA and its affiliates and subcontractors and their employees, officers, directors and agents (collectively referred to in this paragraph as "BVNA") for all claims for negligent professional acts, or errors or omissions arising out of this Agreement for services is limited to \$50,000 or, if greater, the compensation received by BVNA under this Agreement.

12. **Consequential and Punitive Damages.** Neither BVNA nor Client shall be liable under any circumstances for loss of profits, loss of product, consequential damages of any kind, indirect damages of any kind or special damages of any kind to the other party, or to any third party. No punitive or exemplary damages of any kind shall be recoverable against either party under any circumstances.

13. **Insurance.** BVNA, at BVNA's own cost and expense, shall procure and maintain, for the duration of the contract, the following insurance Policies with insurers possessing a Best's rating of no less than A:VII:

- (a) **Workers' Compensation Coverage:** BVNA shall maintain Workers' Compensation and Employer's Liability Insurance for its employees in accordance with the laws of the state where the services are being performed. Any notice of cancellation or non-renewal of all Workers' Compensation policies will be sent to the Client in accordance with the policy provisions.
- (b) **General Liability Coverage:** BVNA shall maintain Commercial General Liability insurance in an amount not less than one million dollars (\$1,000,000) per occurrence for bodily injury, personal injury and property damage.
- (c) **Automobile Liability Coverage:** BVNA shall maintain Automobile Liability insurance covering bodily injury and property damage for activities of BVNA employee arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount not less than one million dollars (\$1,000,000) combined single limit for each occurrence.
- (d) **Professional Liability Coverage:** BVNA shall maintain Professional Errors and Omissions Liability for protection against claims alleging negligent acts, errors or omissions which may arise from BVNA's services under this Agreement. The amount of this insurance shall not be less than one million dollars (\$1,000,000) on a claims-made annual aggregate basis.

BVNA shall name Client as additional insured and other parties that it deems appropriate to be additionally insured under BVNA's Commercial General Liability policy and Automobile Liability policy. The Client, on its own behalf and on the behalf of any others that are named as additionally insured, agrees that providing such insurance or the additional insured endorsement shall in no way be construed as an assumption by BVNA of any liability for the negligence or willful misconduct or any wrongful behavior on the part of Client or others that are named additionally insured.

14. **Attorney's Fees.** In the event any party initiates or defends any legal action or proceeding to enforce or interpret any of the terms of this Agreement, the prevailing party in any such action or proceeding shall be entitled to recover its reasonable costs and attorney's fees (including its reasonable costs and attorney's fees on any appeal). Nothing herein shall constitute a waiver of any claim or defense that could be asserted in any litigation related to this Agreement.

15. **Compliance with Laws.** BVNA shall use the standard of care in its profession to comply with all applicable Federal, State and local laws, codes, ordinances, and regulations in effect as of the date services are provided.

16. **Resolution of Disputes.** All claims, disputes, controversies or matters in question arising out of, or relating to,

this Agreement or any breach thereof, including but not limited to disputes arising out of alleged design defects, breaches of contract, errors, omissions, or acts of professional negligence, except those disputes which arise out of or are related to collection matters or fees alone under this Agreement, (collectively “Disputes”) shall be submitted to non-binding mediation before and as a condition precedent to the initiation of legal proceedings. In no event shall any Disputes be subject to binding arbitration. Upon written request by either party to this Agreement for mediation of any dispute, Client and BVNA shall select a neutral mediator by mutual agreement. Such selection shall be made within ten (10) calendar days of the date of receipt by the other party of the written request for mediation. In the event of failure to reach such agreement or in any instance when the selected mediator is unable or unwilling to serve and a replacement mediator cannot be agreed upon by Client and BVNA within ten (10) calendar days, a mediator shall be chosen as specified in the Mediation Rules of the American Arbitration Association then in effect, or any other appropriate rules upon which the parties may agree.

17. **Choice of Forum.** This Agreement is performable in Denton County, Texas and shall be governed by and construed in accordance with the laws of the State of Texas. Venue for any action arising out of or related to this Agreement shall be in Denton County, Texas.

18. **Releases.** All lien releases will be limited to payment issues; no additional terms and conditions may be added to a release of lien.

19. a. **Termination for Convenience.** Either party may terminate the Services under this Agreement other than by reason of default, at any time, by sending written notice thereof thirty (30) days in advance of the termination date. Upon such termination, Client shall pay BVNA for the Services performed to and including the date of termination. In addition, Client shall pay BVNA for any materials, supplies or equipment which are in transit or under commitment.

b. **Termination for Cause.** BVNA may suspend or terminate the Services under this Agreement for cause upon thirty (30) days written notice to Client in the event Client fails to substantially perform Client’s obligations under this Agreement. Such failure by Client shall include, but is not limited to, the failure to make payments to BVNA in accordance with the requirements of this Agreement. Client may suspend or terminate the Services under this Agreement for cause upon thirty (30) days written notice to BVNA in the event BVNA fails to substantially perform BVNA’s obligations under this Agreement. Such failure shall include, but is not limited to, BVNA’s failure to perform the Services under this Agreement in accordance with the standard of care set forth in this Agreement. Upon receipt of written notice, the receiving party shall have thirty (30) days to cure the failure. In the event either party terminates this Agreement for cause and it is later determined or agreed that the non-terminating party had not failed to substantially perform its obligations under the Agreement, the termination shall be treated as a termination for convenience.

c. **Termination by Client.** If the Client terminates this agreement without cause, the Client shall have two options concerning work and assignments that are in-progress. The Client shall select from: (1) Allowing BVNA the opportunity to complete all work and assignments in-progress that may be completed by another provider after the effective date of BVNA’s termination; or (2) Providing BVNA with a complete and unconditional release from any and all liability and indemnification requirements regarding all work and assignments that remain in-progress upon BVNA’s termination effective date. In the event that Client is silent on termination or does not make an affirmative selection, option (2) providing BVNA with a complete and unconditional release from any and all liability and indemnification (to the extent permitted by law) requirements will be the default and active selection.

d. **Termination by BVNA.** If BVNA terminates without cause, BVNA will provide client with a thirty (30) day transition period from the notice of termination to allow Client sufficient time to secure a new Service Provider. During this transition period, BVNA and Client’s responsibilities under this agreement will remain in full force and effect. At the end of the thirty (30) day transition period BVNA will cease all activities. In the event Client shall request BVNA to continue to provide any Services beyond the expiration of the transition period, including any extensions, then BVNA and Client may negotiate in good faith terms of any such extension, including the pricing of Services

20. **Force Majeure.** A delay in, or failure of, performance of either party hereto shall not constitute a default hereunder or give rise to any claim for damage if and to the extent such delay or failure is caused by (an) occurrence(s) beyond the reasonable control of the party affected, including, but not limited to, act(s) of God, or the public enemy, expropriation or confiscation of facilities or compliance with any order or request of governmental authority or person(s) purporting to act therefore affecting to a degree not presently existing the supply, availability, or use of

engineering personnel or equipment, act(s) of war, public disorder(s), insurrection(s), rebellion(s), or sabotage, flood(s), riot(s), strike(s), or any cause(s), whether or not of the class or kind of those specifically named above, not within the reasonable control of the party affected, and which, by the exercise of reasonable diligence, said party is unable to prevent. A party who is prevented from performing for any reason shall immediately notify the other party in writing of the cause of such non-performance and the anticipated extent of the delay.

21. **Audit.** Client shall have the right during the course of the Work and until one (1) year after acceptance of the Services to audit BVNA's books and records relating to the costs to be reimbursed pursuant to Article 3. BVNA shall, during the progress of the Services, provide Client with evidence of payment for and records of receipt of materials, supplies and equipment as they become available and are presented for payment, together with such other data as Client may reasonably request.

22. **Remedies.** The obligations and remedies provided herein are exclusive and in lieu of any other rights or remedies available at law or in equity.

23. **Waiver.** No failure on the part of either party to exercise any right or remedy hereunder shall operate as a waiver of any other right or remedy that party may have hereunder.

24. **Written Notification.** Any notice, demand, request, consent, approval or communication that either party desires or is required to give to the other party shall be in writing and either served personally or sent prepaid, first class mail. Any such notice, demand, etc., shall be addressed to the other party at the address set forth herein below. Either party may change its address by notifying the other party of the change of address. Notice shall be deemed communicated within 48 hours from the time of mailing if mailed as provided in this section.

25. **Confidential Information.** Neither party shall disclose information identified as confidential to anyone except those individuals who need such information to perform the Services; nor should either party use such confidential information, except in connection with the Work, the performance of the Services or as authorized by the other party in writing. Regardless of the term of this Agreement, each party shall be bound by this obligation until such time as the confidential information shall become part of the public domain. Confidential information shall not include information which is either: (i) known to the public; (ii) was known to the receiving party prior to its disclosure; or (iii) received in good faith from a third party. If either party is required to produce information by any applicable statute (including, but not limited to, the Texas Public Information Act), valid subpoena or Court order, parties agree to first provide prompt notice to other party in order to allow the party to seek a protective order or other appropriate remedy. This shall not prevent either party from disclosing information to the extent reasonably necessary to substantiate a claim or defense in any adjudicatory proceeding. Client agrees that BVNA shall be permitted to use Client's name and logos in BVNA's marketing materials unless advised or prohibited against it by the Client in writing. The technical and pricing information contained in any proposal or other documents submitted to Client by BVNA is to be considered confidential and proprietary and shall not be released or disclosed to a third party without BVNA's written consent to the extent permitted by any applicable law.

26. **Miscellaneous.** This Agreement constitutes the entire agreement between the parties and shall supersede other agreements and representations made prior to the date hereof. No amendments to this contract or changes in the Scope of the Services shall be valid unless made in writing and signed by the parties. Pre-printed terms and conditions (including, but not limited to, waivers of rights and remedies, and variations from any of the warranty, guarantee, standard of care, indemnity, and liability provisions) contained in purchase orders, work orders, invoices or other documents issued by Client with respect to any Services shall have no force or effect and shall be superseded by the terms and conditions herein. The captions in this Agreement are for purposes of convenience only and form no part of this Agreement. In no event shall they be deemed to limit or modify the text of this Agreement. The invalidity or unenforceability of any portion(s) or provision(s) of this Agreement shall in no way affect the validity or enforceability of any other portion(s) or provision(s) hereof. Any invalid or unenforceable provision(s) shall be severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain a particular portion(s) or provision(s) held to be invalid or unenforceable. In the event the terms and conditions of this Standard Professional Services Agreement conflict with the terms and conditions of any other agreement, this Agreement shall govern and control over any such conflicts.

27. **Expert Witnesses.** BVNA's employees shall not be retained as expert witnesses except by separate written agreement. Client agrees to pay BVNA's legal expenses, administrative costs and fees pursuant to BVNA's then current fee schedule for BVNA to respond to any subpoena.

28. **Prevailing Wage.** This Agreement and any proposals hereunder specifically exclude compliance with any project labor agreement or other union or apprenticeship requirements. In addition, unless explicitly agreed to in the body of the proposal, this Agreement and any proposals hereunder specifically exclude compliance with any State or Federal prevailing wage law or associated requirements, including the Davis Bacon Act. Due to the professional nature of its services, BVNA is generally exempt from the Davis Bacon Act and other prevailing wage schemes. It is agreed that no applicable prevailing wage classification or wage rate has been provided to BVNA, and that all wages and cost estimates contained herein are based solely upon standard, no-prevailing wage rates. Should it later be determined by the Client or any applicable agency that in fact prevailing wage applies, then it is agreed that the contract value of this agreement shall be equitably adjusted to account for such changed circumstance. These exclusions shall survive the completion of the project and shall be merged into any subsequently executed documents between the parties, regardless of the terms of such agreement.

29. **Interpretation of Agreement.** This Agreement shall be interpreted as though prepared by all parties and shall not be construed unfavorably against either party.

30. **Waiver of Jury Trial.** Each party waives its right to a jury trial in any court action arising between the parties, whether under this Agreement or otherwise related to the work being performed under this Agreement.

31. **Third Party Beneficiary.** It is expressly understood and agreed that the enforcement of these terms and conditions shall be reserved to the Client and BVNA. Nothing contained in the agreement shall give or allow any claim or right of action whatsoever by any third person. It is the express intent of the Client and BVNA that any such person or entity, other than Client or BVNA, receiving services or benefits under this Agreement shall be deemed an incidental beneficiary.

32. **Assignment.** Neither party may assign this Agreement or any right or obligation hereunder without the prior written consent of the other party, which shall not be unreasonably withheld or delayed; provided, however, that no consent shall be necessary in the event of an assignment to a successor entity resulting from a merger, acquisition or consolidation by BVNA or an assignment to an Affiliate of BVNA if such successor or Affiliate assumes all obligations under this Agreement. Any attempted assignment, which requires consent hereunder, shall be void and shall constitute a material breach of this Agreement if such consent is not obtained.

### **SCOPE OF SERVICES**

BVNA will have an exclusive agreement with Client to ensure compliance with the provisions of the Jurisdiction's Adopted Food Establishment Ordinance. In absence of said ordinance, the provisions of Title 25 Texas Administrative Code Chapter 228, regarding the regulation of food establishments, known as the Texas Food Establishment Rules (TFER), will be enforced. The Texas Administrative Code (TAC), Standards for Public Pools and Spas, Section 265.181 - 265.200 will be enforced for public swimming pools and spas.

BVNA services include the following per permitted installation:

- Review plans for compliance with the applicable laws and rules required.
- Perform inspections to determine compliance with the applicable laws and rules required.
- Inspections will be performed by a Texas Registered Sanitarian
- Update or create the required Health forms.
- Web-based project tracking of Health permits.
- Provide written report of any deficiencies.
- Investigation of complaints on permitted facilities.

The Client will have final interpretive authority over all plans, specifications and inspections and is charged with the issuance of all permits and certificates of occupancy.

## **INTERLOCAL COOPERATION AGREEMENT FOR POLICE AND MUNICIPAL COURT SERVICES**

**STATE OF TEXAS     §**

**COUNTY OF DENTON §**

THIS INTERLOCAL COOPERATION AGREEMENT ("Agreement") is made and entered into by and between the Town of Northlake, Texas ("Northlake") and the City of Draper, Texas ("Draper") (individually a "Party," together the "Parties"), political subdivisions duly incorporated pursuant to the general laws of the State of Texas, each acting by and through its duly authorized individuals:

**WHEREAS**, Northlake and Draper are authorized and empowered pursuant to the Texas Interlocal Cooperation Act, Chapter 791, Texas Gov. Code (Vernon) to agree with one another to perform governmental functions and services, including law enforcement and municipal court services; and

**WHEREAS**, because both Northlake and Draper desire to improve the efficiency and effectiveness of law enforcement and municipal court services provided to the citizens of both entities, the Parties now enter into this agreement as specified herein; and

**WHEREAS**, Northlake and Draper desire to enter into this Agreement agree that this Agreement is in the best interest of and serves the public health, safety and welfare of both municipalities.

**NOW, THEREFORE**, for and in consideration of the mutual promises and covenants herein made, the benefits flowing each of the parties hereto, and other good and valuable consideration, Northlake and Draper do hereby **CONTRACT AND AGREE** as follows:

1. **Effective Date**. This Agreement shall be in effect beginning the 1st day of October 2019.
2. **Term**. This Agreement shall be in force and effect for a period of two (2) years from the effective date and ending on the 30<sup>th</sup> day of September 2021.
3. **Definitions**. When used in this Agreement, the following words and phrases shall have the respective meanings ascribed to them:
  - A. **"Police Officer"** shall mean all full time, part time, reserve, paid and non-paid sworn police personnel of the Town of Northlake.
  - B. **"Service Area"** means the corporate limits of the City of Draper, Texas as of the date of this Agreement or as may be amended or changed during the term of this Agreement.

4. Patrol Services. Northlake shall provide to Draper patrol services. During these patrols, the Officers will address any violations of Federal or State Law which they observe. This will include traffic law enforcement and motor vehicle accident investigation and reporting. The Northlake Police Department will also take reports of criminal offenses occurring in Draper, investigate those reports, and file cases with the Denton County District Attorney. The Chief of the Northlake Police Department (or his/her designee) will provide to Draper a report of police activities on a monthly basis, no later than the 10<sup>th</sup> day of each month. For purposes of providing services under the Agreement, Northlake police officers shall constitute police officers of the City of Draper while such officers are acting within the Service Area and shall have full authority as peace officers within the Service Area. Notwithstanding any other provision of this Agreement, patrol services within Northlake shall have priority over the patrol services within the Service Area.
5. Independent Contractor Relationship. Parties mutually agree that Northlake is an independent contractor, and shall have exclusive control of performance hereunder, and that employees of Northlake in no way are to be considered employees of Draper.
6. Municipal Court. The Town of Northlake, by and through its Municipal Court, will provide to Draper Municipal Court services including but not limited to:

The adjudication of Class C misdemeanor crimes, issuing arrest warrants, collecting and receipting fines and court costs, filing the required monthly Office of Court Administration reports, remitting the quarterly payment to the Office of the State Comptroller, preparing and submitting reports on all moving traffic violation convictions to the Department of Public Safety, and any other necessary functions. The Northlake Municipal Court Administration will serve in a like capacity for Draper. Each complaint shall be processed in the same manner as a complaint filed for a violation of a law within the corporate limits of Northlake.

7. Compensation. Draper will compensate Northlake for Police and Municipal Court services, as set forth herein, in the amount of **One thousand dollars (\$1,000.00) per month**, due and payable by the first Tuesday of each month. Furthermore, any and all fines and fees collected by and through the Municipal Court (less that amount paid to the State as required by law) shall be the sole property of Northlake. If not paid by the second Tuesday of any month, Northlake may immediately terminate the Agreement and its obligations hereunder without any further notice to Draper. All costs incurred hereunder shall be paid from current revenues legally available to the paying Party.

Notwithstanding anything to the contrary herein, Northlake, in its sole discretion, may increase the amount owed by Draper to accommodate for increased demand on police or municipal court services should such an increase become necessary during the term of this Agreement. Northlake shall provide notice of the increase to Draper at least thirty (30) days before the increase will take effect.

8. Termination. This Agreement may be terminated at any time by either Party hereto giving at least thirty (30) days written notice to the other Party of such termination, except the Town of Northlake may immediately terminate the Agreement in accordance with Section 6. In the event of such termination, Northlake shall be compensated by Draper for all services performed up to and including the date of termination.
9. Liability. Pursuant to Texas Government Code Section 791.006(b), Draper shall be solely responsible for any civil liability that arises from the furnishing of services requested by Draper and agreed to by Northlake under this Agreement.

**DRAPER HEREBY AGREES TO INDEMNIFY AND OTHERWISE HOLD HARMLESS NORTHLAKE, ITS OFFICERS, AGENTS AND EMPLOYEES IN BOTH PUBLIC AND PRIVATE CAPACITY AGAINST ALL LIABILITY, CLAIMS, SUITS, DEMANDS, LOSSES, DAMAGES, ATTORNEY'S FEES, INCLUDING ALL EXPENSES OF LITIGATION OR SETTLEMENT, FOR CAUSES OF ACTION OF ANY KIND WHICH MAY ARISE FOR ANY REASON IN ANY WAY CONNECTED TO NORTHLAKE'S PERFORMANCE UNDER THIS AGREEMENT, INCLUDING BY REASON OF INJURY TO, OR DEATH OF, ANY PERSON OR FOR A LOSS OF, OR DAMAGE TO, OR LOSS OF THE USE OF ANY PROPERTY ARISING OUT OF OR IN ANY WAY CONNECTED TO NORTHLAKE'S PERFORMANCE UNDER THIS AGREEMENT FOR ANY INTENTIONAL ACTS OR OMISSIONS BY SUCH NORTHLAKE OFFICIALS, OFFICERS, AGENTS OR EMPLOYEES RELATING TO OR ARISING OUT OF PERFORMANCE OF THE SERVICES PROVIDED FOR UNDER THIS AGREEMENT.**

10. Immunity. It is expressly agreed and understood that, in the execution of this Agreement, the Parties do not waive nor shall be deemed hereby to waive any immunity or defense that would otherwise be available to or against claims arising in the exercise of governmental functions relating hereto or otherwise. By entering into this Agreement, the Parties do not create any obligation, express or implied, other than those set forth herein and this Agreement shall not create any rights in any parties not signatory hereto.
11. Entire Agreement. This Agreement represents the entire and integrated agreement between Northlake and Draper and supersedes all other prior negotiations, representations, and/or agreements, whether written or oral. The Agreement may be amended only by written instrument signed by both Northlake and Draper

12. Applicable Law. The validity of this Agreement and any of its terms or provisions, as well as the rights and duties of the parties hereto, shall be governed by the laws of the State of Texas. This Agreement shall be performable and all compensation payable in Denton County, Texas. Venue under this Agreement lies in Denton County, Texas.

13. Severability. If any clause, paragraph, section, or portion of this Agreement shall be found to be illegal, unlawful, unconstitutional or void for any reason, the balance of the Agreement shall remain in full force and effect and the parties shall be deemed to have contracted as if said clause, section, paragraph, or portions had not been in the Agreement initially.

14. Authority to Execute. The undersigned officers or agents of the Parties hereto are properly authorized officials and have the necessary authority to execute this Agreement on behalf of the Parties hereto, and each Party hereby certifies to the other that any necessary resolutions extending said authority have been fully passed and are now in full force and effect.

Executed in duplication original at Denton County, Texas on the date and year first written below.

Re: Continuing Disclosure Contract with Town's Finance Advisor, Hilltop Securities

---

Hilltop Securities has been the Town's financial advisor since the Series 2005 Certificates of Obligation were issued. Per provisions of Securities and Exchange Commission (SEC) Rule 15c2-12, municipal obligations must be reporting to the investing public on a periodic and continuing basis. Hilltop Securities provides this service on behalf of the Town and can do so more efficiently than Town staff at a cost of \$3,500 annually. This cost cannot be including in closing costs associated with issuances since it is cumulative of all outstanding debt and is annual rather than per issuance.

Please contact me at 940.242.5701 if you have any questions or comments.

**AGREEMENT  
FOR  
CONTINUING DISCLOSURE SERVICES  
BY AND BETWEEN**

**TOWN OF NORTHLAKE, TEXAS  
(HEREINAFTER REFERRED TO AS THE “ISSUER”)**

**AND  
HTS CONTINUING DISCLOSURE SERVICES,  
A DIVISION OF HILLTOP SECURITIES INC.**

In connection with the sale and delivery of certain bonds, notes, certificates, or other municipal obligations (the “Bonds”), the Issuer has made certain undertakings to disclose to the investing public, on a periodic and continuing basis, certain information, as more fully set forth in such undertakings and as contemplated by the provisions of Securities and Exchange Commission Rule 15c2-12, as amended (the “Rule”).

The Issuer has agreed to engage HTS Continuing Disclosure Services, a Division of Hilltop Securities Inc. (“Continuing Disclosure Services”), to assist it with these continuing disclosure obligations, for the consideration and on the terms and conditions set forth herein, including the preparation and submission of annual reports (the “Annual Reports”) and the reporting of certain specified events (the “Events”), which are set forth in the Issuer’s undertakings, the Rule and in Subsection 2c. below.

This agreement (the “Agreement”) between the Issuer and the Continuing Disclosure Services shall become effective as of the date of its acceptance as provided for below.

The parties agree as follows:

1. This Agreement shall apply to all issues of Bonds delivered subsequent to the effective date of the continuing disclosure requirements as specified in the Rule, to the extent that any particular issue does not qualify for exceptions to the continuing disclosure requirements of the Rule.
2. Continuing Disclosure Services agrees to perform the following in connection with providing services relating to the Issuer’s continuing disclosure obligations:
  - a. assist the Issuer in compiling data determined or selected by the Issuer to be disclosed;
  - b. assist the Issuer in identifying other information to be considered by Issuer for continuing disclosure reporting purposes;
  - c. assist the Issuer in preparing the presentation of such information, to include Annual Reports containing financial information and operating data of the type provided in the final official statement of applicable issues, and Material Event Notices concerning the occurrence of the specified Events and other items listed below:
    - 1) Principal and interest payment delinquencies
    - 2) Non-payment related defaults
    - 3) Unscheduled draws on debt service reserves reflecting financial difficulties
    - 4) Unscheduled draws on credit enhancements reflecting financial difficulties
    - 5) Substitution of credit or liquidity providers, or their failure to perform

- 6) Adverse tax opinions or events affecting the tax-exempt status of the security
- 7) Modifications to rights of security holders
- 8) Bond calls and tender offers
- 9) Defeasances
- 10) Release, substitution, or sale of property securing repayment of the securities
- 11) Rating changes
- 12) Bankruptcy, insolvency, receivership or similar proceeding
- 13) Mergers, consolidations, acquisitions, the sale of all or substantially all of the assets of the obligated person or their termination
- 14) Appointment of a successor or additional trustee or the change of the name of a trustee
- 15) Incurrence of a financial obligation of the obligated person, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation, any of which affect security holders
- 16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties
- 17) Noncompliance with the Rule

d. assist the Issuer in distributing or filing, in the Issuer's name, the above mentioned Annual Reports, notices and audited annual financial statements to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Market Access ("EMMA"), appropriate State Information Depository ("SID"), rating agencies, and other entities, as required by the Issuer's continuing disclosure obligations.

e. provide to the Issuer confirmation of distribution or dissemination of reports and notices.

### 3. Issuer acknowledges and agrees to the following:

a. Continuing Disclosure Services will be compensated for the performance of services with respect to assisting the Issuer with preparation and submission of continuing disclosure reports in accordance with the schedule as set forth below:

1. \$3,500 per year for assistance in preparation and distribution of each Annual Report and assistance in distribution of audited annual financial statements, if Issuer is not exempt from filing reports with EMMA, and Material Event Notice Filings. "Preparation" and "distribution" as used herein means that Continuing Disclosure Services will prepare, submit, and file any and all Annual Reports as may be required by law, based on Continue Disclosure Services' reliance on the information provided by the Issuer.

b. Issuer will provide to Continuing Disclosure Services, and Continuing Disclosure Services shall be entitled to rely upon, all information regarding the issuance of the Bonds, including the final official statement and the Issuer's commitment or undertaking regarding continuing disclosure as contained in the resolution authorizing issuance of the Bonds or separate contract or agreement; annual financial information and operating data of the type provided in the final official statement; information concerning the occurrence of an Event or noncompliance with the Rule; and any other information necessary to prepare continuing disclosure reports.

- c. Issuer will provide to Continuing Disclosure Services, and Continuing Disclosure Services shall be entitled to rely upon, annual written confirmation of all outstanding Bond issues for which the Issuer has a continuing disclosure obligation.
  - d. Issuer will provide to Continuing Disclosure Services all information required for preparation of each Annual Report, including financial information and operating data of the type provided in the final official statement and other information deemed necessary by Issuer, no later than 45 days prior to the date on which each Annual Report is due.
  - e. Issuer will provide full and complete copies of the audited annual financial statement no later than ten (10) days prior to the date on which it is due.
  - f. Issuer will notify Continuing Disclosure Services immediately upon the occurrence or immediately upon the Issuer's knowledge of the occurrence of each Event or noncompliance with the Rule, and the Issuer will immediately provide all information necessary for preparation of the notice of occurrence of each such Event or noncompliance with the Rule.
  - g. Upon Issuer's receipt of advice from and consultation with Continuing Disclosure Services provided pursuant to this Agreement, Issuer shall have the sole responsibility for determining the disclosure to be made in all cases. The Issuer shall review and provide approval of the content and form of all continuing disclosure reports and notices, with the exception of the following, which will be filed automatically on the Issuer's behalf, unless the Issuer has notified Continuing Disclosure Services otherwise in writing: bond calls, defeasances, and rating changes. In the event of a disagreement between the Issuer and Continuing Disclosure Services regarding the disclosure to be made, either the Issuer or Continuing Disclosure Services may, but neither is obligated to, terminate this Agreement by written notice to the other party.
  - h. A separate Annual Report will be prepared and distributed for each type of security pledge in effect for outstanding financing issues or Bonds of the Issuer.
  - i. Issuer will inform Continuing Disclosure Services of the retirement of any Bonds included under the scope of this Agreement within 30 days of such retirement.
4. In the event that Continuing Disclosure Services and the Issuer determine that advice of counsel is appropriate with respect to any question concerning disclosure, then (i) the Issuer may consult with its counsel, or (ii) the Issuer may authorize Continuing Disclosure Services to seek legal advice from independent counsel regarding the disclosure. The Issuer agrees that it shall be responsible for the fees and expenses of its own counsel. The Issuer agrees to reimburse Continuing Disclosure Services the fees and expenses of independent counsel, if paid by Continuing Disclosure Services, for advice rendered pursuant to authorization by the Issuer, provided however, that Issuer approves the engagement of independent counsel in advance based on the receipt of an estimate of such fees and expenses that is reasonably foreseeable at the time.
5. To the extent permitted by law, the Issuer agrees to hold harmless and to indemnify Continuing Disclosure Services and its employees, affiliates, officers, directors, and agents from and against any and all claims, damages, losses, liabilities, reasonable costs and expenses whatsoever, including attorneys' fees and expenses ("Losses and Expenses") that Continuing Disclosure Services may incur by reason of or in connection with the distribution of information in the disclosure reports in accordance with this Agreement, except to the extent such Losses and

Expenses result directly from Continuing Disclosure Services' willful misconduct or gross negligence in the distribution of such information.

In the event that such Losses and Expenses are attributable to the concurrent negligence or other fault of both the Issuer and Continuing Disclosure Services, each party shall bear proportionate responsibility for the degree of negligence or other fault attributable to each. Notwithstanding the foregoing, Continuing Disclosure Services, shall not be obligated to contribute any amount hereunder that exceeds five (5) times the amount of fees previously received by Continuing Disclosure Services pursuant to this Agreement.

6. The fees and expenses due to Continuing Disclosure Services in providing Continuing Disclosure Services shall be calculated in accordance with Section 3a. of this Agreement. The fees will be invoiced each year during the term of the Agreement, unless terminated earlier, and fees will be payable within 30 days of receipt of invoice, except that the fees for the first year's service will be invoiced and be payable upon acceptance of this Agreement.

In addition, the Issuer agrees to reimburse Continuing Disclosure Services for the following expenses: (i) legal fees and expenses of counsel incurred by Continuing Disclosure Services pursuant to the terms of Section 4. above, and (ii) other out-of-pocket expenses reasonably incurred by Continuing Disclosure Services in performing its obligations hereunder. The Issuer shall remit payment for expenses to Continuing Disclosure Services within 30 days of receipt of invoice.

7. **Bonds Issued Subsequent to Agreement:** The provisions of this Agreement will include additional municipal bonds and financings (including financing lease obligations) issued during the stated term of this Agreement, if such bonds are subject to the continuing disclosure requirements. In this connection, the Issuer agrees that the Issuer will notify Continuing Disclosure Services of any municipal bonds and financing (including financing lease obligations) issued by the Issuer during any fiscal year of the Issuer during the term of this Agreement, and will provide Continuing Disclosure Services with such information as shall be necessary in order for Continuing Disclosure Services to perform the services contracted for hereunder.
8. **Effective Dates of Agreement:** This Agreement shall become effective as of the date of acceptance by the Issuer as set out below and remain in effect thereafter for a period of five (5) years from the date of acceptance. Unless Continuing Disclosure Services or Issuer shall notify the other party in writing at least thirty (30) days in advance of the applicable anniversary date that this Agreement will not be renewed, this Agreement will be automatically renewed on the fifth anniversary of the date hereof for an additional one (1) year period and thereafter will be automatically renewed on each anniversary date for successive one (1) year periods. This agreement may be terminated with or without cause by the Issuer or Continuing Disclosure Services upon thirty (30) days' written notice to the other party. In the event of such termination, it is understood and agreed that only the amounts due to Continuing Disclosure Services for services provided and expenses incurred to and including the date of termination will be due and payable. No penalty will be assessed for termination of this Agreement. In the event this Agreement is terminated prior to its stated term, all records provided to Continuing Disclosure Services by the Issuer shall be returned to the Issuer as soon as practicable. In addition, the parties hereto agree that upon termination of this Agreement Continuing Disclosure Services shall have no continuing obligation to the Issuer regarding any service contemplated herein. Notwithstanding the foregoing, all contribution obligations pursuant to Section 5 of this Agreement shall survive any termination, regardless of whether the termination occurs as a result

of the expiration of the term hereof or the Agreement is terminated sooner by either the Issuer or Continuing Disclosure Services under this Section 8, pursuant to Subsection 3.g., or otherwise.

Re: Designation Official newspaper

Honorable Mayor and Council Members:

At the beginning of each fiscal year, Type A municipalities must designate an official newspaper (Tex. Loc. Gov't Code 52.004) to publish all required notices such as ordinances, election/budget notices, bids, etc. that is required by law.

The newspaper in which a notice is published must be in print at least once each week, entered as second class postal matter in the county where distributed and devote not less than 25% of its total column lineage to general interest items. Denton Record Chronicle meets these established rules.

Northlake has used the Denton Record Chronicle newspaper for 22 years for all publication of notices and they have the lowest rates.

If you have any questions relating to the official newspaper, please feel free to contact me at [srogers@town.northlake.tx.us](mailto:srogers@town.northlake.tx.us).

**TOWN OF NORTHLAKE, TEXAS**

**RESOLUTION NO. 19-18**

**WHEREAS**, the Town Council of the Town of Northlake, Texas, desires to authorize an official newspaper for publication of official notices of the Town;

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS:**

**Section 1.** The Denton Record Chronicle, a daily newspaper published in the City of Denton, Texas, is hereby designated and approved as the official newspaper and publication of the Town of Northlake, Texas, as required by law is to be published in accordance with the law.

**Section 2.** Any prior Resolution of the Town of Northlake, Texas, establishing any other newspaper as the official paper and publication for the Town of Northlake, Texas, shall hereby be repealed and made of no effect.

**Section 3.** This Resolution shall become effective on the 1<sup>st</sup> of October 2019.

Re: Negotiated Natural Gas Rate Settlement with Atmos Energy Corporation by the  
Atmos Cities Steering Committee

---

Atmos Cities Steering Committee (ACSC) is a coalition of 170 cities that unite in common purpose to address gas utility rate and franchise issues related to Atmos Energy Corporation (ATMOS). (The ACSC is not an arm, subsidiary or part of ATMOS.) The ACSC recently negotiated a rate less than the rate proposed by ATMOS. ATMOS requested rates which would have charged \$54 million to ACSC cities. The ACSC through negotiations was able to reach a settlement where charges will total \$35.4 million. The ordinance before Council will ensure that ATMOS charges the lower rate with the Town of Northlake.

Please contact me at 940.242.5701 if you have any questions or comments.

August 16, 2019

## **STAFF REPORT**

### **BACKGROUND AND SUMMARY**

The Town, along with 171 other Mid-Texas cities served by Atmos Energy Corporation, Mid-Tex Division (“Atmos Mid-Tex” or “Company”), is a member of the Atmos Cities Steering Committee (“ACSC”). In 2007, ACSC and Atmos Mid-Tex settled a rate application filed by the Company pursuant to Section 104.301 of the Texas Utilities Code for an interim rate adjustment commonly referred to as a GRIP filing (arising out of the Gas Reliability Infrastructure Program legislation). That settlement created a substitute rate review process, referred to as Rate Review Mechanism (“RRM”), as a substitute for future filings under the GRIP statute.

Since 2007, there have been several modifications to the original RRM Tariff. The most recent iteration of an RRM Tariff was reflected in an ordinance adopted by ACSC members in 2018. On or about April 1, 2019, the Company filed a rate request pursuant to the RRM Tariff adopted by ACSC members. The Company claimed that its cost-of-service in a test year ending December 31, 2018, entitled it to additional system-wide revenues of \$70 million. Application of the standards set forth in ACSC’s RRM Tariff required Atmos to reduce its request to \$54 million, \$39.3 million of which would be applicable to ACSC members. ACSC’s consultants concluded that the system-wide deficiency under the RRM regime should be \$38.7 million instead of the claimed \$54 million. The amount of the \$38.7 million deficiency applicable to ACSC members would be \$28.2 million.

After the Company reviewed ACSC’s consultants’ report, ACSC’s Executive Committee and the Company negotiated a settlement whereby the Company would receive an increase of \$35.4 million from ACSC Cities.

The Executive Committee recommends a settlement at this amount. The Effective Date for new rates is October 1, 2019. ACSC members should take action approving the Ordinance before the end of September.

### **PROOF OF REVENUES**

Atmos generated proof that the rate tariffs attached to the Ordinance will generate \$35.4 million in additional revenues from ACSC Cities. That proof is attached as Attachment 1 to this Staff Report. ACSC consultants have agreed that Atmos’ Proof of Revenues is accurate.

### **BILL IMPACT**

The impact of the settlement on average residential rates is an increase of \$2.05 on a monthly basis, or 3.7 percent. The increase for average commercial usage will be \$6.18 or 2.31 percent. A bill impact comparison is attached as Attachment 2.

### **SUMMARY OF ACSC’S OBJECTION TO THE UTILITIES CODE SECTION 104.301 GRIP PROCESS**

ACSC strongly opposed the GRIP process because it constitutes piecemeal ratemaking by ignoring declining expenses and increasing revenues while rewarding the Company for increasing capital investment on an annual basis. The GRIP process does not allow any review of the reasonableness of capital investment and does not allow cities to participate in the Railroad Commission’s review of annual GRIP filings or allow recovery of Cities’ rate case expenses. The Railroad Commission undertakes a mere administrative review of GRIP filings (instead of a full hearing) and rate increases go into effect without any material adjustments. In ACSC’s view, the GRIP process unfairly raises

customers' rates without any regulatory oversight. In contrast, the RRM process has allowed for a more comprehensive rate review and annual evaluation of expenses and revenues, as well as capital investment.

### **RRM SAVINGS OVER GRIP**

While residents outside municipal limits must pay rates governed by GRIP, there are some cities served by Atmos Mid-Tex that chose to remain under GRIP rather than adopt RRM. Additionally, the City of Dallas adopted a variation of RRM which is referred to as DARR. When new rates become effective on October 1, 2019, ACSC residents will have a slight economic monthly advantage over comparable GRIP and comparable DARR rates (see Attachment 3).

### **EXPLANATION OF “BE IT ORDAINED” PARAGRAPHS:**

1. This section approves all findings in the Ordinance.
2. This section adopts the RRM rate tariffs and finds the adoption of the new rates to be just, reasonable, and in the public interest.
3. This section finds that existing rates are unreasonable. Such finding is a necessary predicate to establishment of new rates. The new tariffs will permit Atmos Mid-Tex to recover an additional \$35.4 million from ACSC Cities.
4. This section approves an exhibit that establishes a benchmark for pensions and retiree medical benefits to be used in future rate cases or RRM filings.
5. This section approves an exhibit to be used in future rate cases or RRM filings regarding recovery of regulatory liabilities, such as excess deferred income taxes.
6. This section requires the Company to reimburse the City for expenses associated with review of the RRM filing, settlement discussions, and adoption of the Ordinance approving new rate tariffs.
7. This section repeals any resolution or ordinance that is inconsistent with the Ordinance.
8. This section finds that the meeting was conducted in compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.
9. This section is a savings clause, which provides that if any section is later found to be unconstitutional or invalid, that finding shall not affect, impair, or invalidate the remaining provisions of this Ordinance. This section further directs that the remaining provisions of the Ordinance are to be interpreted as if the offending section or clause never existed.
10. This section provides for an effective date upon passage.
11. This section directs that a copy of the signed Ordinance be sent to a representative of the Company and legal counsel for ACSC.

### **CONCLUSION**

The Legislature's GRIP process allowed gas utilities to receive annual rate increases associated with capital investments. The RRM process has proven to result in a more efficient and less costly (both from a consumer rate impact perspective and from a ratemaking perspective) than the GRIP process. Given Atmos Mid-Tex's claim that its historic cost of service should entitle it to recover \$70 million in additional system-wide revenues, or \$54 million from ACSC Cities, the RRM settlement at \$35.4 million for ACSC Cities reflects substantial savings to ACSC Cities in the amount of \$18.6 million. ACSC's consultants produced a report indicating that Atmos had justified increased revenues for ACSC Cities of at least \$32.7 million. Settlement at \$35.4 million is fair and reasonable. The ACSC Executive Committee consisting of city employees of 18 ACSC members urges all ACSC members to pass the Ordinance before September 30, 2019. New rates become effective October 1, 2019.

**ORDINANCE NO. 19-0912**

**AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS, APPROVING A NEGOTIATED SETTLEMENT BETWEEN THE ATMOS CITIES STEERING COMMITTEE (“ACSC”) AND ATMOS ENERGY CORP., MID-TEX DIVISION REGARDING THE COMPANY’S 2019 RATE REVIEW MECHANISM FILING; DECLARING EXISTING RATES TO BE UNREASONABLE; ADOPTING TARIFFS THAT REFLECT RATE ADJUSTMENTS CONSISTENT WITH THE NEGOTIATED SETTLEMENT; FINDING THE RATES TO BE SET BY THE ATTACHED SETTLEMENT TARIFFS TO BE JUST AND REASONABLE AND IN THE PUBLIC INTEREST; APPROVING AN ATTACHED EXHIBIT ESTABLISHING A BENCHMARK FOR PENSIONS AND RETIREE MEDICAL BENEFITS; APPROVING AN ATTACHED EXHIBIT REGARDING AMORTIZATION OF REGULATORY LIABILITY; REQUIRING THE COMPANY TO REIMBURSE ACSC’S REASONABLE RATEMAKING EXPENSES; DETERMINING THAT THIS ORDINANCE WAS PASSED IN ACCORDANCE WITH THE REQUIREMENTS OF THE TEXAS OPEN MEETINGS ACT; ADOPTING A SAVINGS CLAUSE; DECLARING AN EFFECTIVE DATE; AND REQUIRING DELIVERY OF THIS ORDINANCE TO THE COMPANY AND THE ACSC’S LEGAL COUNSEL**

**WHEREAS**, the Town of Northlake, Texas (“Town”) is a gas utility customer of Atmos Energy Corp., Mid-Tex Division (“Atmos Mid-Tex” or “Company”), and a regulatory authority with an interest in the rates and charges of Atmos Mid-Tex; and

**WHEREAS**, the Town is a member of the Atmos Cities Steering Committee (“ACSC”), a coalition of similarly-situated cities served by Atmos Mid-Tex (“ACSC Cities”) that have joined together to facilitate the review of, and response to, natural gas issues affecting rates charged in the Atmos Mid-Tex service area; and

**WHEREAS**, ACSC and the Company worked collaboratively to develop a new Rate Review Mechanism (“RRM”) tariff that allows for an expedited rate review process by ACSC Cities as a substitute to the Gas Reliability Infrastructure Program (“GRIP”) process instituted by the Legislature, and that will establish rates for the ACSC Cities based on the system-wide cost of serving the Atmos Mid-Tex Division; and

**WHEREAS**, the current RRM tariff was adopted by the Town in a rate ordinance in 2018; and

**WHEREAS**, on about April 1, 2019, Atmos Mid-Tex filed its 2019 RRM rate request with ACSC Cities based on a test year ending December 31, 2018; and

**WHEREAS**, ACSC coordinated its review of the Atmos Mid-Tex 2019 RRM filing through its Executive Committee, assisted by ACSC’s attorneys and consultants, to resolve issues identified in the Company’s RRM filing; and

**WHEREAS**, the Executive Committee, as well as ACSC’s counsel and consultants, recommend that ACSC Cities approve an increase in base rates for Atmos Mid-Tex of \$35.4 million applicable to ACSC Cities; and

**WHEREAS**, the attached tariffs (Exhibit A) implementing new rates are consistent with the recommendation of the ACSC Executive Committee, are agreed to by the Company, and are just, reasonable, and in the public interest; and

**WHEREAS**, the settlement agreement sets a new benchmark for pensions and retiree medical benefits (Exhibit B); and

**WHEREAS**, the settlement agreement establishes an amortization schedule for regulatory liability (Exhibit C); and

**WHEREAS**, the RRM Tariff contemplates reimbursement of ACSC's reasonable expenses associated with RRM applications.

**NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS:**

**Section 1.** That the findings set forth in this Ordinance are hereby in all things approved.

**Section 2.** That, without prejudice to future litigation of any issue identified by ACSC, the Town Council finds that the settled amount of an increase in revenues of \$35.4 million for ACSC Cities represents a comprehensive settlement of gas utility rate issues affecting the rates, operations, and services offered by Atmos Mid-Tex within the municipal limits arising from Atmos Mid-Tex's 2019 RRM filing, is in the public interest, and is consistent with the Town's authority under Section 103.001 of the Texas Utilities Code.

**Section 3.** That the existing rates for natural gas service provided by Atmos Mid-Tex are unreasonable. The new tariffs attached hereto and incorporated herein as Exhibit A, are just and reasonable, and are designed to allow Atmos Mid-Tex to recover annually an additional \$35.4 million from customers in ACSC Cities, over the amount allowed under currently approved rates. Such tariffs are hereby adopted.

**Section 4.** That the ratemaking treatment for pensions and retiree medical benefits in Atmos Mid-Tex's next RRM filing shall be as set forth on Exhibit B, attached hereto and incorporated herein.

**Section 5.** That amortization of regulatory liability shall be consistent with the schedule found in attached Exhibit C attached hereto and incorporated herein.

**Section 6.** That Atmos Mid-Tex shall reimburse the reasonable ratemaking expenses of the ACSC in processing the Company's 2019 RRM filing.

**Section 7.** That to the extent any resolution or ordinance previously adopted by the Council is inconsistent with this Ordinance, it is hereby repealed.

**Section 8.** That the meeting at which this Ordinance was approved was in all things conducted in strict compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.

**Section 9.** That if any one or more sections or clauses of this Ordinance is adjudged to be unconstitutional or invalid, such judgment shall not affect, impair, or invalidate the remaining provisions of this Ordinance, and the remaining provisions of the Ordinance shall be interpreted as if the offending section or clause never existed.

**Section 10.** That consistent with the Town Ordinance that established the RRM process, this Ordinance shall become effective from and after its passage with rates authorized by attached tariffs to be effective for bills rendered on or after October 1, 2019.

**Section 11.** That a copy of this Ordinance shall be sent to Atmos Mid-Tex, care of Chris Felan, Vice President of Rates and Regulatory Affairs Mid-Tex Division, Atmos Energy Corporation, 5420 LJB Freeway, Suite 1862, Dallas, Texas 75240, and to Geoffrey Gay, General Counsel to ACSC, at Lloyd Gosselink Rochelle & Townsend, P.C., 816 Congress Avenue, Suite 1900, Austin, Texas 78701.

Provisions for Adjustment

The Commodity Charge per Ccf (100 cubic feet) for gas service set forth in any Rate Schedules utilized by the cities of the Mid-Tex Division service area for determining normalized winter period revenues shall be adjusted by an amount hereinafter described, which amount is referred to as the "Weather Normalization Adjustment." The Weather Normalization Adjustment shall apply to all temperature sensitive residential and commercial bills based on meters read during the revenue months of November through April. The five regional weather stations are Abilene, Austin, Dallas, Waco, and Wichita Falls.

Computation of Weather Normalization Adjustment

The Weather Normalization Adjustment Factor shall be computed to the nearest one-hundredth cent per Ccf by the following formula:

$$WNAF_i = R_i \frac{(HSF_i \times (NDD-ADD))}{(BL_i + (HSF_i \times ADD))}$$

Where

$i$  = any particular Rate Schedule or billing classification within any such particular Rate Schedule that contains more than one billing classification

$WNAF_i$  = Weather Normalization Adjustment Factor for the  $i^{th}$  rate schedule or classification expressed in cents per Ccf

$R_i$  = Commodity Charge rate of temperature sensitive sales for the  $i^{th}$  schedule or classification.

$HSF_i$  = heat sensitive factor for the  $i^{th}$  schedule or classification divided by the average bill count in that class

$NDD$  = billing cycle normal heating degree days calculated as the simple ten-year average of actual heating degree days.

$ADD$  = billing cycle actual heating degree days.

$BL_i$  = base load sales for the  $i^{th}$  schedule or classification divided by the average bill count in that class

The Weather Normalization Adjustment for the  $j$ th customer in  $i$ th rate schedule is computed as:

$$WNA_j = WNAF_i \times q_{ij}$$

Where  $q_{ij}$  is the relevant sales quantity for the  $j$ th customer in  $i$ th rate schedule.

Notes:

1. Studies not applicable to Mid-Tex or Shared Services are omitted.
2. The Company is requesting that the benchmark amount approved by the RRM Cities for future periods include only the expense amount.
- The amount attributable to capital would continue to be recorded to utility plant through the overhead process as described in the CAM.
3. SSU amounts exclude cost centers which do not allocate to Mid-Tex for rate making purposes.

33 Notes:

34 1. The beginning 2018 balance is the September, 2018 balance. The regulatory

35 liability for excess deferred taxes is an estimate. This estimate will be

36 finalized when the Company files its federal tax return in July, 2019. To the

37 extent that this estimate changes with the filing of the Company's tax return,

38 the Company will 'true-up' the amount in the 2020 RRM filing.

39 2. The annual amortization of a 24 year recovery period is based on the

40 Reverse South Georgia Method.

41 3. The Regulatory Liability is recorded to FERC Account 253, Sub Account 27909.

## **FREQUENTLY ASKED QUESTIONS REGARDING ACSC HISTORY AND THE RRM RATEMAKING PROCESS**

### **What is the role of Cities in ratemaking?**

Cities have historically exercised original jurisdiction over the level of gas rates charged within their boundaries. Generally, gas distribution utilities have filed rate cases at the City level and have only gone to the Railroad Commission of Texas (“RCT” or “Commission”) with an appeal of City action or when they could not reach a settlement with Cities. If a utility and Cities reach an agreement, the utility may then file a case at the RCT to implement the same rates approved by Cities in areas outside municipal boundaries.

Once a case is at the RCT, the Commission Staff generally expects Cities to intervene and do most of the discovery, cross-examination, briefing, and sponsor opposing witnesses. There is no consumer advocate at the RCT. If Cities do not participate in hearings at the RCT, the request of a regulated utility is likely to be rubber-stamped.

### **How and why was the Atmos Cities Steering Committee created?**

The Atmos pipeline and distribution systems were built, owned, and operated by Lone Star Gas (“LSG”), which maintained over 200 rate jurisdictions until it sold its assets to Texas Utilities (“TXU”) in the late 1990’s. That meant that many Cities had their own unique distribution rates and that individual Cities had to process rate cases at the local level. LSG-Pipeline served all 200-plus distribution systems, and pipeline rates were set by the RCT.

From the early 1980’s through the late 1990’s, LSG filed no pipeline or system-wide rate cases at the RCT. When LSG was finally brought before the RCT to show cause why its rates should not be reduced, approximately 80 Cities intervened and created an *ad hoc* group known as the Steering Committee of Cities Served by Lone Star. In Gas Utilities Division (“GUD”) docket number 8664, three separate groups of Cities and a number of independent Cities (jointly the “Aligned Cities”) participated and coordinated their efforts to oppose the rate increase.

TXU purchased the LSG assets in the late 1990’s and immediately commenced consolidating 200-plus ratemaking jurisdictions into regions. As regional cases were filed, Cities within each region created an *ad hoc* committee to form a common strategy and negotiating position. Once TXU had aggregated the Cities into five or six jurisdictions, each with a different rate, Texas Utilities Gas Company filed a system-wide case to bring all of the old LSG territory under one common rate. The different City regional committees then united and formed the Allied Coalition of Cities (“ACC”). While the gas utility assets were owned and controlled by TXU, the coalition transformed itself from an *ad hoc* group that came together only in response to rate filings by the utility into a permanent standing coalition.

In Gas Utilities Docket (“GUD”) No. 9400 in 2004, TXU’s request for a \$61.6 million system-wide increase was aggressively opposed by ACC. Cities achieved disallowances of \$42.9 million of a regulatory asset and \$87.8 million of capitalized gas utility plant. The company received only a \$2.01 million increase. Unhappy with that result, TXU decided that owning a gas system was neither as fun nor as profitable as the deregulated electric system, and they sold the system to Atmos Energy Corporation (“Atmos” or “Company”). ACC was then transformed into the Steering Committee of

Cities Served by Atmos and then renamed Atmos Cities Steering Committee to obtain an easy to remember acronym, “ACSC.”

### **What is the Atmos Cities Steering Committee?**

ACSC is a coalition of 170 Cities that unite in common purpose to address gas utility rate and franchise issues related to Atmos Energy Corporation. Its objectives are to: (1) ensure that gas utility rates charged to Cities and their residents are fair and reasonable; (2) maintain reasonable franchise fee revenues for Cities; (3) protect Cities’ original jurisdiction over rates and services; (4) be a voice for consumers where no state agency assumes such a role; and (5) promote sound ratemaking policies in the public interest.

Cities join the permanent standing committee by passing a resolution and agreeing to support the work of ACSC through modest occasional *per capita* assessments that support ongoing administrative and legislative advocacy and all expenses where Cities are not entitled to reimbursement. Each member City designates a representative to ACSC. Member representatives may volunteer to serve on the ACSC Executive Committee. The Executive Committee sets policy, hires legal counsel and consultants, directs litigation, establishes a legislative agenda, sets assessments on members as needed, and meets quarterly with Atmos executives. The Settlement Committee is directly involved in negotiating resolution of contested matters with Atmos executives. The list of current members is attached.

### **What is the benefit of membership in ACSC?**

One hundred seventy Cities speaking as one voice is much more effective in advocacy before the Railroad Commission and legislature than any one City or multiple small groups of Cities.

The legislature has given gas utilities a right to an annual increase in rates. Resources (both financial and human) of individual Cities are conserved by membership in ACSC. Additionally, membership enhances institutional memory of ratemaking issues, public policy debates, and right-of-way and franchise fee battles.

### **What has ACSC accomplished?**

Going into the 82nd Legislative Session, in December 2010, ACSC released a 48-page report, “Natural Gas Consumers and the Texas Railroad Commission.” More than 200 television, newspaper and radio news sites posted information on, and a link to, the report that may be found on ACSC’s website, [TexasGasConsumers.org](http://TexasGasConsumers.org).

ACSC has also been instrumental in ongoing Sunset Commission reviews of the RCT. The agency has undergone three Sunset reviews since 2010, and in each case ACSC has maintained a watchful eye on the process to ensure that provisions that could harm the interest of gas utility ratepayers are excluded from the legislation. ACSC representatives also visited on several occasions with the Sunset Commission Staff, and several ACSC recommendations for reform were included in Sunset Commission Reports on the agency. Several ACSC member representatives testified before the legislature regarding the Sunset review of the Railroad Commission.

During the 2011 legislative session, lobbying efforts by ACSC were critical in killing two gas utility bills that would have undermined traditional regulation, deprived Cities of certain rights, and led to even greater rate increases.

ACSC has also resolved a major issue involving franchise fees. In 2010, Atmos unilaterally, without notice, ceased inclusion of franchise fees in the calculations of gross receipts regardless of whether specific franchises included such payments. Several Cities were willing to pursue the matter through litigation. However, counsel for ACSC was able to negotiate a resolution that allowed each member City to determine whether it desired an increase in franchise fee payments based on inclusion of franchise fees in the calculation of gross receipts. If a City opted for inclusion of fee-on-fee revenues, it had the further option of retroactive payments back to the point in time that Atmos decided to curtail fee-on-fee payments. Each member had these options regardless of the wording of the then-valid franchise agreement. This resolution spared significant litigation costs and anxiety and was only possible because of the clout of the ACSC membership.

One of the most significant accomplishments of ACSC occurred in 2007 via a settlement of the then-pending, system-wide rate case. Approximately 50 ACSC City representatives showed up in Arlington for a meeting with Atmos executives who were shocked at the vocal opposition to Atmos' practices, the unfairness of annual Gas Reliability Infrastructure Program ("GRIP") rate filings that precluded City and citizen review, and the Company's lack of coordination with Cities. That meeting led to the creation of the Rate Review Mechanism ("RRM") process and improved ongoing communications between the Company and ACSC.

In 2010, these improved communications between ACSC and the Company led to a workable solution to the need to replace steel service lines in a manner that accommodated Cities' needs to control their rights-of-way, while moderating the rate impact and focusing first on the riskiest service lines based on leak repair histories. This compromise precluded a more onerous (from a City and consumer perspective) program threatened by the RCT.

### **What is an RRM case?**

The concept of an RRM proceeding emerged as a three-year experimental substitute for GRIP cases as part of the settlement of Atmos Mid-Tex's 2007 system-wide rate case. In 2003, the Texas Legislature added Section 104.301, Interim Adjustment for Changes in Investment, to the Gas Utility Regulatory Act. While not identified as such in the law, § 104.301 was referred to as the Gas Reliability Infrastructure Program or GRIP. The GRIP adjustments allowed gas companies to recover changes to invested capital without a review of whether increased revenues or declining expenses offset the invested capital costs. Both Atmos Pipeline and Atmos Mid-Tex filed GRIP cases as soon as the RCT adopted rules to implement the interim adjustments. As explained below, it quickly became apparent that the GRIP adjustments were terrible public policy.

As an alternative to GRIP, ACSC entered into a negotiated agreement with Atmos in 2007 to establish the RRM process. Unlike GRIP, the RRM provided for an annual review of all portions of Mid-Tex's cost of service. It fixed an authorized rate of return on equity for the three-year period at 9.6% (which was less than what the RCT would have authorized) and set caps on the extent to which expenses or investments could increase from one year to the next. More importantly, it allowed Cities to make a comprehensive evaluation of all aspects of the utility's business—investment, operation and maintenance expenses, and revenues—unlike GRIP that only allows consideration of changes to invested capital.

### **Why is RRM superior to GRIP?**

GRIP cases guarantee a one-sided, rubber-stamp approval of the utility's rate request. ACSC attempted to participate in the first two GRIP proceedings filed by both Atmos Pipeline and Atmos Mid-Tex at the RCT. Not only were Cities' motions to intervene denied, but also, ACSC's comments were ignored. At the City level, ACSC consultants determined that Atmos was not only including items such as artwork, chairs, computers, and meals in interim rate adjustments that were allegedly intended to promote pipeline safety, but the Company was also over-earning its previously authorized rate of return. ACSC attacked the Commission's rule in court because it denied City participation, denied a hearing on a contested matter, and denied Cities' recovery of any expenses associated with resisting GRIP rate increases. The courts were not helpful to Cities. In 2011, the Texas Supreme Court upheld the Commission's rule implementing the GRIP statute.

Cities have contended that the GRIP process is terrible public policy since it authorizes what would, from the perspective of a history of public interest regulation, be regarded as unlawful—piecemeal ratemaking. GRIP allows rates to increase if the utility's invested capital net of depreciation increases year-over-year. An increase in rates is mandated under GRIP if investment increases, even if increasing revenues and declining expenses more than offset the costs associated with increased investment.

The RRM process negotiated by ACSC solves the piecemeal ratemaking problem by providing for a comprehensive review of Atmos' expenses and revenues. Furthermore, the RRM process benefitted ACSC by: (1) allowing Cities' participation that would be denied under GRIP; (2) allowing Cities to recover, at utility shareholders' expense, all their ratemaking costs; and (3) avoiding both litigation and RCT jurisdiction.

The legislature has functionally authorized annual increases in gas utility rates through the GRIP process. Since consumers are otherwise stuck with annual rate increases, it is better to have Cities participate in the comprehensive RRM process than be unable to participate in a piecemeal process.

### **What has been the history of the RRM efforts?**

A total of eleven RRM filings have been made by the Company. These filings all resulted in settlements at the City level, except for the 2014 filing, which the ACSC Cities denied. The Company appealed the denial to the RCT, and ACSC was ultimately able to settle that proceeding before it reached the stage of a final RCT order. The results of these filings from a system-wide perspective are as follows (continued on next page):

| <b>RRM Filing</b> | <b>Year</b> | <b>Atmos Request</b> | <b>ACSC Settlement</b> |

Unable to reach agreement to perpetuate the original RRM terms, Atmos filed a traditional rate case with Cities in 2012 (GUD No. 10170), which was then appealed to the Railroad Commission. A final order in that case was entered in December 2012. The ratemaking decisions of the Commission then became the basis of renewal negotiations on the RRM process. The renewed RRM included some modifications that enhanced the original RRM process. Among these modifications were:

- A limit on the percentage of increase to be included in the monthly customer charge;
- A prohibition against capital post-test year adjustments;
- A time limit for known and measurable adjustments to operating and maintenance expenses;
- A guaranteed reduction in the Company's requested increase of at least \$3 million annually; and
- A limitation on the amount of equity in the Company's capital structure.

### **Changes to the RRM process**

As noted in a communication to ACSC in May 2017, the rate of return on equity ("ROE") embedded in the RRM process between 2013 and 2017 of 10.5% is excessive by at least 100 basis points, based upon a reasonable rate of return that reflects the market conditions in which the Company, and its parent Atmos Energy, operates. Because this ROE cannot be altered except by (1) changing the terms of the RRM tariff, or (2) a Commission order coming out of a new rate case, ACSC informed the Company that the 2017 RRM will be the last filing by the Company under the current tariff. Atmos agreed to renegotiate the terms and conditions of a revised RRM tariff in 2017.

In February and March 2018, ACSC adopted a new RRM tariff ordinance that implemented new procedures and criteria for the RRM process. The revised RRM tariff reduced the allowed ROE from 10.5% to 9.8% and captured the reduced federal income tax rate of 21%. The new tariff expanded Cities' review period from three months to five months. It also required Atmos Mid-Tex to accept ACSC's position regarding incentive compensation related to Atmos' Shared Services Unit. The 2019 RRM filing is the second under the new tariff.

### **When must Cities approve new rates?**

ACSC's Tariff Ordinance adopted around March 2018 declares that new rates become effective October 1<sup>st</sup> of each year. While it is preferable that ordinances or resolutions adopting new tariffs are passed before the end of September, there is no adverse consequence if final action cannot take place until sometime in October. The only thing that will frustrate new rates becoming effective on October 1, 2019 is City action that specifically denies the increase.

**What would happen if a City Council denies the RRM rate increase?**

Atmos would either appeal the denial to the Railroad Commission or initiate imposition of GRIP rates or both. Rates for residents of that City would be higher than rates of other ACSC member residents. Rate case expenses (both the City and Company) associated with litigation at the Railroad Commission would likely be surcharged back to the City that denied the increase.

| Town Administration Fee    | 10,000             |
| <b>Budget Expenses</b>     | <b>\$1,371,029</b> |

The total budgeted expenses of the Services are \$1,371,029 in the District; and

**WHEREAS**, it is proposed that property in the District be assessed at \$0.21 per each \$100 of property value, as of January 1, 2020 and determined by the appraisal district with jurisdiction over property in the District:

**WHEREAS**, the Services and proposed assessment roll were heard by the Town Council in a public hearing conducted on the 12th day of September 2019, at 6:30 p.m. in the Council Chamber in the Town Hall in the Town of Northlake, Texas (the "Public Hearing"), notice of which was published in a newspaper of general circulation in the Town, and at such hearing all desiring to be heard were given a full and fair opportunity to be heard;

**NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS:**

## **SECTION 1.**

The Town Council, from all evidence before it, including all information provided to it and considered in the Public Hearing, finds that the assessments herein described should be levied against the respective parcels of property in the District and against the owners of such property. Such assessments and charges are right and proper and are substantially in proportion to the benefits to the respective parcels of property by means of the Improvements in the District for which such assessments are levied and establish substantial justice and equality and uniformity between all parties concerned, considering the benefits received and burdens imposed. The Town Council further finds that in each case the property assessed is specially benefited in enhanced value to the said property by means of the Improvements in the District and for which assessment is levied and charge made, and further finds that the apportionment of the cost of the Improvements is in accordance with applicable law. The Town Council, from the evidence, further finds that the values of the respective parcels of property on January 1, 2019, are true and correct.

## **SECTION 2.**

There shall be levied and assessed against the parcels of property in the District and against the real and true owners thereof (whether such owners be correctly named herein or not), the sums of money itemized per parcel of property, and the owners thereof, as far as such owners are known, at the following rates and method of payment: \$0.21 per each \$100 of value for property in the District.

## **SECTION 3.**

Where more than one person or entity owns an interest in any property described herein, each such person or entity shall be personally liable only for its, her or his pro rata share of the total assessment against such property in proportion to its, his or her respective interest to the total ownership such property, and its, his or her respective interest in such property may be released from the assessment lien upon payment of a proportionate sum.

## **SECTION 4.**

The several sums above mentioned and assessed against the said parcels of property, and owners thereof, and penalty and interest thereon at the rate prescribed by Chapter 372, Texas Local Government Code (the Public Improvements District Assessment Act), together with reasonable attorney's fees and cost of collection, if incurred, are hereby declared to be and are made a lien upon the respective parcels of property against which the same are assessed, and a personal liability and charge against the real and true owners of such property, whether such owners be correctly named herein or not, and such liens shall be and constitute the first enforceable lien and claim against the property on which such assessments are levied, and shall be a first and paramount lien thereon, superior to all other liens and claims, except state, county, school district and Town ad valorem taxes. A copy of this ordinance may be filed with the County Clerk of Denton County, Texas, and when so filed shall constitute complete and adequate legal notice to the public concerning the liens hereby assessed against the respective parcels of property and the owners thereof.

The sums so assessed against the respective parcels of property and the owners thereof shall be and become

due and payable on or before January 31, 2020 and shall become delinquent if not paid by February 1, 2020. The entire amount assessed against each parcel of property shall bear penalty and interest, from and after February 1, 2020 at the same rate as prescribed by law for any delinquent ad valorem tax until paid.

#### **SECTION 5.**

If default shall be made in the payment of any assessments, collection thereof shall be enforced by suit in any court of competent jurisdiction, and Town shall exercise all of its lawful powers to aid in the enforcement and collection of said assessments.

#### **SECTION 6.**

The total amount assessed against the respective parcels of property, and the owners thereof, is in accordance with the proceedings of the Town hereto and is less than the proportion of the cost allowed and permitted by applicable law.

#### **SECTION 7.**

Although the aforementioned charges have been fixed, levied, and assessed in the respective amounts herein stated, the Town Council does hereby reserve the right to reduce the aforementioned assessments by allowing credits to certain property owners where deemed appropriate and provided that such any such allowance does not result in any inequity and/or unjust discrimination.

#### **SECTION 8.**

Full power to make and levy reassessments and to correct mistakes, errors, invalidities or irregularities in the assessments are, in accordance with the law in force in this Town, vested in the Town.

#### **SECTION 9.**

In any suit upon any assessment or reassessment, it shall be sufficient to allege the substance of the provision recited in this ordinance and that such recitals are in fact true, and further allegations with reference to the proceedings relating to such assessment and reassessment shall not be necessary.

#### **SECTION 10.**

Should any portion, section or part of a section of this Ordinance be declared invalid, inoperative or void for any reason by a court of competent jurisdiction, such decision, opinion or judgment shall in no way impair the remaining portions, sections, or parts of sections of this Ordinance, which shall remain in full force and effect.

#### **SECTION 11.**

This Ordinance shall be cumulative of all other ordinances and appropriations amending the same except in those instances where the provisions of this Ordinance are in direct conflict with such other ordinances and appropriations, in which instance said conflicting provisions of said prior ordinances and appropriations are

hereby expressly repealed.

**SECTION 12.**

This Ordinance shall take effect and be in full force and effect from and after the date of its passage.

**THE HIGHLANDS PUBLIC IMPROVEMENT DISTRICT  
NORTHLAKE, TEXAS**

**ANNUAL SERVICE PLAN UPDATE  
TO THE SERVICE AND ASSESSMENT PLAN**

**Introduction**

On April 24, 2014 the Town Council of the Town of Northlake, Texas adopted resolution 14-12, pursuant to the Public Improvement District Assessment Act, Chapter 372, Texas Local Government Code, creating The Highlands Public Improvement District.

A service and assessment plan (the "Service and Assessment Plan") was prepared at the direction of the Town Council identifying the public improvements to be provided by the PID, the costs of the Authorized Improvements, the indebtedness to be incurred for the authorized improvements, and the manner of assessing the property in the PID for the costs of the authorized improvements. Pursuant to Sections 372.013, 372.014, and 372.015 of the Public Improvement District Act (the "PID Act"), the Service and Assessment Plan is to be reviewed and updated annually. The update of the Service and Assessment Plan (the "Annual Service and Assessment Plan Update") for 2020 includes the Tax Year 2019 assessment roll identifying the assessments on each parcel, based on the method of assessment set forth in the Service and Assessment Plan, as amended, and pursuant to this Annual Service Plan Update. Section 372.015 of the PID Act states that the governing body of the municipality shall apportion the cost of an improvement to be assessed against property in an improvement district, and the apportionment shall be made on the basis of special benefits accruing to the property because of the improvement.

On May 29, 2014 the Town Council authorized the issuance of combination tax and assessment revenue certificates of obligation, series 2014A, in the amount of \$4,170,000.00 for the authorized improvements within The Highlands Public Improvement District.

**Debt Service and Assessment Collections**

The assessments imposed on any parcel may be paid in full at any time. If an assessment is not paid in full, the assessments are payable in 20 (twenty) annual installments. Each assessment installment is comprised of payment for principal and interest for the 2014 Series A Tax and Assessment Certificate of Obligation, maintenance and operation expenses, and administrative expenses.

Schedule C shows the amounts to be collected during fiscal year 2019 for the assessments and the expected payments for debt service, maintenance and operations and administrative expenses.

Re: Fiscal Year 2019-2020 Proposed Budget Adoption and FY 2018-2019 Revised Annual Budgets

---

The budget planning session to discuss priorities for the fiscal year 2019-2020 budget was held May 23, 2019. At the budget planning session, Town Council validated the budget principles for the Town. The proposed budgets address these principles. At the June 20, 2019 council meeting, Town staff gave a budget outlook. On July 11, another preliminary budget was presented. On July 23, 2019, the certified tax roll was received and the proposed budget as presented to Town Council on August 1.

The 2019-2020 Proposed General Fund Budget is based on continuing the 29.5¢ tax rate which includes a 5% general homestead exemption. Property taxes increased 37% overall of which residential property values account for 13% of the overall increase and the remaining 14% from commercial. Only 4% of the 37% increase is due to increased residential property appraisals. The remaining 33% is either new construction or commercial value increases. Sales tax revenues are expected to increase with the addition of new restaurants. The current proposed budget is balanced with increased resources dedicated to public safety, public works, and marketing/communication positions needed to handle increased customer base, activity and complexity of operations. A 5% market maintenance salary increase has been proposed.

The proposed budget document was filed with the Town Secretary on July 31<sup>st</sup> and made available online on the same date at the Town website [www.town.northlake.tx.us](http://www.town.northlake.tx.us).

The 2019-2020 Proposed and 2018-2019 Revised Annual Budgets for all funds are:

Honorable Mayor and Town Councilors  
Town of Northlake, Texas

The Town of Northlake budget for the fiscal year 2019/2020 provides funding for the increasing volume and complexity of municipal operations caused by the unprecedented growth in Northlake and the surrounding region. Northlake continues to balance the desires of current residents to preserve rural areas but accommodate and leverage residential and commercial growth. As new residents and new businesses relocate to Northlake, expectations of high-quality Town services accompany them. The new homes, stores, offices and warehouses added to the Town's property tax rolls will provide resources to fund Town services such as police and public works, and construct and expand water and sewer systems and reconstruction and improve the Town's road system. This budget delivers personnel and infrastructure on time using verifiable resources.

Northlake straddles Interstate Highway 35W with State Highway 114 intersecting at the southern Town limit. The Town's location lends itself to distribution intensive businesses. Stanley Black & Decker and Schluter Systems have expanded operations in Northlake with 1.2 million and 500,555 square foot buildings, respectively. These two major highways also bring a significant number of commuters and travelers through Northlake creating an environment conducive for restaurants and hotels. Texas Roadhouse, Cracker Barrel and Braum's have expressed interest in Northlake and La Quinta, Staybridge Suites, Tru by Hilton and Best Western Plus are each in various stages of development in Northlake. The increased traffic congestion caused by development in the region frustrates existing residents but by bringing these businesses to Northlake, the Town collects sales and hotel occupancy taxes to fund services for both old and new residents.

The North Texas Commission projects that our region grows by one person every five minutes. This influx of newcomers has created an increased demand for quality housing. In basic economic terms, increased demand in a housing market with limited supply will increase housing prices. The increase in market values of housing, new homes and buildings have increased property values in Northlake. Certified residential property values have increased 38% with over three-fourths of this increase from new construction. Average market value of residences has increase 8% from last year but with Northlake's 5% homestead exemption, local school district tax rate decreasing by \$0.07, and the Denton County tax rate decreasing about \$0.01, Northlake resident's overall property tax bill increase will be less than 4%.

Court Fines revenue remains flat at \$500,000 for FY 2020 as the Northlake Police Department continues to focus on neighborhood patrols. General sales tax revenue projections will increase over last year's amount from \$720,000 to \$750,000 annually. Retail and restaurant sales have continued to increase with the addition of new businesses. Revenues from Development fees for the review and inspection of developer built public infrastructure proceed Building Permits revenue which are for the review and inspection of building construction. The FY 2019 Revised Development Fees revenue is projected at \$1,217,750 which foreshadows the FY 2020 Proposed Building Permits revenue of \$1,400,000. The Town's utility system operations are experiencing substantial, annual cost increases from wholesale providers. However, the growing customer base has allowed the Town to keep residential retail rates from increasing correspondingly. Northlake maintains some of the lowest water rates in the region.

The Town continues to increase staffing. In FY 2019, the Town added four positions: in Police a sergeant; in Public Works a maintenance worker; in Development Services a planner; and in Finance an accountant. In FY 2020, the need for additional staff is even greater with eight positions being requested. The Town's largest departments, Police and Public Works, are requesting a Captain and Superintendent, respectively, to provide managerial oversight of field operations. Demands on the Police Chief and the Public Works Director for leadership, administration and strategic planning grow as their scope of operations grow. These two management positions will allow the department heads to replicate and extend their influence and direction. A police patrol officer and public safety officer are proposed. The patrol officer will provide full staffing for a patrol shift bringing the number of fully staff shifts to three of four total shifts. Daytime shifts have been covered by traffic officers when necessary. The public safety officer is a civilian position that will perform routine administrative duties to free up a licensed officer for patrol duty. A three-person public works crew will be added which is composed of a crewleader, an equipment operator and a maintenance worker. The crew will bring the number of complete crews to three with one dedicated to street repairs, another for water and sewer repairs, and the final crew for preventive maintenance. The final requested position is a marketing and communications coordinator to assist with media relations, social media presence, and Town advertising.

In FY 2019, the Town issued of \$12,000,000 in certificates of obligation to finance crucial expansion of the Town's water system. In the north, a 1.25-million-gallon elevated water storage tank and related lines will be built to ensure water storage and pressures. In the south, a 0.75-million-gallon elevated water storage tank, a 0.5-million-gallon ground storage, pumping capacity and related lines will be constructed to replace the beneficial but soon to end water pressures supplied by the City of Fort Worth. For FY 2020, both these projects are well under way and in design phase. The Town has acquired or is in the process of acquiring all the necessary sites and easement for the improvements. The debt service for the Series 2018 C.O.s is supported by the aforementioned growth in the Town's property tax base and includes only existing platted developments and is not based on projects planned for the future. The Town's first debt issuance was in 1997 for the initial water system at IH-35W and SH 114. At this point Northlake became a retail water provider; residents and businesses relied on Northlake for water service. The continued capacity and viability of the water system must be preserved.

The Town of Northlake continues to leverage growth to the benefit of existing residents and for the expansion of Town infrastructure. North Ridge Estates property values provided funding to pave Florance Road, Bingham Road and Schober Road, and parts of Holder Road and Evelyn Road. The Highlands of Northlake brought a water line to North Ridges Estates. Prairie View Farms brought a water line from FM 407 up Faught Road and Stardust Ranch brought a water line from FM 407 up Florance Road. Although Harvest is not in the Town limits, this development provided for the connection with Upper Trinity Regional Water District and the Town Hall pump station and ground storage tanks. The Canyon Falls development funded a second connection to UTRWD, a trail system and upgrades to Florance, Cleveland-Gibbs and Sam Lee. The continued residential growth in The Highlands, Prairie View Farms, Creek Meadows, Stardust Ranch and Canyon Falls will provide the tax base to support the Series 2018 debt issuance. Recently approved developments of Pecan Square and The Ridge will continue to build out our infrastructure with all four lanes of Cleveland-Gibbs built between Robson Ranch Road and IH-35W, contributions to the Town water and sewer system expansion, and a future Northwest ISD high school located in Northlake town limits.

In response to Mayor Rettig's challenge to staff when developing the budget, the proposed budget maintains the Town's very low tax rate while maintaining service levels. The tax rate has remained at 29.5¢ per \$100 valuation since 1997 when it was last increased from 25¢ to the current rate. In fact, with the 5% homestead exemption, homeowners will benefit from about a 1.5¢ decrease in their tax rate due to the exemption. The effective tax rate for the 2019 tax year is calculated as 26.26¢; legislatively defined as the tax rate needed to provide the same property tax revenues using the upcoming year's tax base. Staff continues to focus on basic services and look for ways operate more efficiently and cost effectively. However due to the expected continued growth in development, the proposed additional staff are needed to maintain the current service levels.

As the Town's financial plan for FY 2019-2020, the budget illustrates appropriations and projected revenues. This budget is also intended to document for residents how the Town operates and the methods used to finance those operations. The Town of Northlake has achieved many of its goals set by the Council over the last year, while providing exceptional service to our citizens.

This budget mirrors Mayor Rettig's focal points as discussed by Town Council during the Proposed Budget presentation on August 1, 2019.

- Sustain balanced budget and low municipal tax rate
- Invest in equipment and technology to increase productivity and efficiency
- Diversify tax base through thoughtful management of commercial and industrial growth
- Leverage proceeds of growth to improve and/or construct new utility and safety infrastructure
- Add supervisory staff to manage and train existing staff to deliver higher caliber service
- Maintain service through additional staff where appropriate
- Recruit highly qualified and motivated personnel by offering competitive wages and excellent benefits

A detailed discussion of council budget goals can be found later in the budget document.

Property values are estimated to increase from a market value of \$781,484,615 in 2018, to \$1,112,871,010 in 2019. After exemptions, losses and caps, the taxable value is projected to increase from \$625,771,541 in 2018 to \$860,584,344 in 2019. Applying the proposed tax rate of 29.5¢ per \$100 valuation, property taxes revenues are \$2,538,724 about a 38 percent increase from property tax revenue last fiscal year. Of this amount \$901,111 will be dedicated to debt service, \$1,459,462 will pay for maintenance and operations, and the remaining \$178,149 is dedicated to the Canyon Falls Tax Increment Reinvestment Zone. The increase in property tax revenue is due to a combination of new property growth and increased values.

All department heads submitted budget requests that maintain or enhance current service levels. With minimal plan changes, healthcare costs are expected to increase 5% over last year which is below initial projections. Supplies and Maintenance expense categories will increase slightly due to increased staff levels and equipment, respectively. Costs for services has increased significantly from the previous year. A majority of the increase is the Town's outsourced contract building inspection services which corresponds proportionally to the increase Building Permit revenue discussed previously. Internal Service expenses will increase in FY 2020 to cover cost increases associated with new vehicles, equipment and building rental.

The general themes of this year's proposed service enhancements are to provide additional staff capacity for managerial oversight of field operations, to fully staff police shifts and public works crews, to assist in marketing the Town to potential businesses and proactively tell our story through print and social media, and to use one-time excess fund reserves for finish-out the Police offices providing additional security to both uniformed and civilian staff. From the Town's financial resources: the proposed budget will allow the Town to fund service enhancements, continue to fund maintenance, operations and debt service, and maintain General Fund reserves of approximately \$2,000,000. The proposed fund reserve level surpasses the Town policy of three months of operational expenses by one month.

The proposed budget requests are as follows:

- Maintain current tax rate of 29.5 cents per \$100 value with a 5% homestead exemption while supporting debt service and current service levels
- Implement a salary and market maintenance adjustment to approximately the 50<sup>th</sup> percentile of projected regional salary market
- Add a Police Captain and PW Superintendent to provide managerial oversight of field operations
- Add a Police Patrol Officer to fully staff a third shift and civilian Public Safety Officer to assist with duties and activities not requiring a license peace officer
- Add additional three-person Public Works crew for road, water and sewer repairs and preventive maintenance of all public infrastructure
- Create a marketing and communications coordinator position to assist Town with media relations, social media monitoring, newsletters, promoting Town activities

- Finish out Police Offices lease space with move in January 2020
- Purchase police replacement vehicles, new vehicles for Captain and Superintendent positions, and new crew cab for new Public Works crew
- Fund \$50,000 for initial outdoor warning siren system
- Begin construction of Phase 3 of the northern pressure plain and Phase 2 of the southern pressure plain including ground storage, pumps and elevated tanks
- Upgrade and expand remote monitoring and control of water operations
- Increase number of available water meter routes with additional reader tablet
- Conduct water and wastewater study to ensure fees adequately cover system costs

Maintaining one of the lowest tax rates in Denton County, which has one of the lowest county tax rates in Texas, is one of the biggest business recruitment incentives in Northlake. All increases in the proposed budget are a result of increases in development activity, increases in the number of residents and customers, or investments in upgrading existing infrastructure. The proposed budget is in response to existing needs not future potential desires. As mentioned previously, the Town of Northlake has a long history of using increased tax base to invest back into the Town. This budget is no different and continued investment avoids potential infrastructure failure in the future.

Retaining and recruiting qualified and capable employees is difficult in the competitive North Texas region especially for a small community. The Mayor's budget proposal would bring all employees to the 50<sup>th</sup> percentile of their specific position. To accomplish this, the salary adjustments would, first, increase all salaries a minimum of 5% to maintain our place in the market and, second, adjust the salary ranges of certain positions, specifically entry level positions in Police and Public Works. The goal in maintaining competitive salaries is to retain high-performing, well-trained employees. The loss of productivity and cost of replacing them and retraining exceeds the proposed salary increases. Healthcare costs have increased but not as much as originally projected. The Town has an opportunity to reinstate original funding levels of Town contributions to employee health savings (HSA) accounts from \$75 per month back to \$100 per month. This change will incentivize plan selection to HSAs thereby reducing Town healthcare liabilities in the long-term. Another proposed change to employee benefits is to the Town's employee pension options in the Texas Municipal Retirement System (TMRS). The proposed change would add Restricted Prior Service Credit (RPSC) to the Town's TMRS plan. The RPSC allows employees to include service in other recognized retirement systems in calculations of retirement eligibility but it would not have any monetary impact to the employee or the Town.

Currently, the Town police department provides around the clock patrol services to over 17 square miles of Town limits and by contract for the Harvest community and the City of Draper, in addition to traffic enforcement of Town, County and State roads including almost five miles of Interstate 35W. Last year's addition of fourth sergeant provided supervisory staff for all four shifts. However, managerial oversight of field operations is the next area of focus of Northlake Police. The proposed Captain position will provide this oversight and allow the Police Chief to

focus on leadership, administration and strategic planning. The two daytime shifts are staffed with a sergeant and one patrol officer; a fully staffed shift is sergeant and two officers. When both are engaged, backup coverage is provided by the traffic officer or the Police Chief. The budget adds another patrol officer to completely staff one of the daytime shifts leaving only one shift needing full staffing which will be backed-up by traffic officers, captain or chief. The final addition to the police department will be the public safety officer. This civilian position will perform routine functions that do not require a licensed peace officer such as vehicle pick up, evidence routing, property room upkeep and overall support to the department.

The latest Council of Governments population projections show Northlake with 4,040 residents. These numbers only illustrate part of the Town's service area. Harvest which is not in the Town limits is approaching 5,000 residents and all of these residents are Northlake water customers. Public Works averages two water meter sets per day. In addition, as the system grows so to do the regulations and reporting requirements. Similar to the Police Captain position, Public Works needs managerial oversight of field operations which could be accomplished by a Superintendent position. The Superintendent would report to the Public Works Director and manage day-to-day operations freeing up the Director for general administration, leadership and strategic planning of Public Works. An additional three-person public works crew is requested to assist with the repair and maintenance of the Town's expanding water, sewer and roadway systems. The additional crew will bring the number of crews (crew leader, equipment operator and maintenance worker) to three with one crew focused on street repair, another on water and sewer repair and the final crew preventive maintenance of all systems.

The Town leverages technology when applicable and cost effective. Proposed in the budget is permit tracking software which allow homebuilders and other trades to submit, view and pay permit online and allow development staff to review and approve permits. This scalable software systems will avoid the hiring of a future staff position for permit intake and routing. The Town's utility system will benefit from a SCADA upgrade to remotely monitor and control water and sewer systems which include two water pump stations, two sewer lift stations and the addition of another pump station and two elevated storage tanks. Another meter reader tablet has been proposed to allow for a second meter read route. Currently, the one route takes an entire workday and with the increasing number of meters the reads will take multiple days. By adding a second reader all water meters can be read on one day simplifying the water billing process.

A Strategic Plan goal is to define and strengthen Northlake's identity. The proposed Marketing and Communications Coordinator position would lead this effort by assisting the Town in developing an identifiable Northlake brand. Activities of this position will include monitoring social and print media, ensuring consistent messaging regarding Town, assist with design of print materials, presentations and other outgoing communications, coordinate a resident survey, assist in Town marketing and business recruitment efforts. The coordinator would report to the Town Administrator and be available to all departments for assistance.

Many of the previously mentioned new positions will require vehicles as most are field personnel including the Police Captain, Public Works Superintendent, and Public Works Crew which will use a large SUV, mid-size pick up truck, and a crew cab, respectively. The new Police Officer and Public Safety Officer positions will share existing vehicles. The Marketing and Communications Coordinator position will not have an assigned vehicle but will received mileage reimbursement for Town related travel. The new vehicles will be purchased with available cash reserves. A desire of residents for several years has been the installation of an outdoor warning system. With the \$50,000 dedicated to this project, the Town will be able to analyze the best areas to place sirens

For a small town, Northlake has a vastly expanding water system. There are over 1,500 water connections in Northlake and to provide safe, reliable water to each customer Northlake must expand its pumping and storage capacity. The southern area of Northlake benefits from being on the low end of the City of Fort Worth's water system and currently receives water at adequate pressure. However, with the development of north Fort Worth this latent pressure will not last forever. The northern area of Northlake entered the water distribution business with the addition of pumps and ground storage located at Town Hall as funded by the Belmont Fresh Water Supply District. Belmont FWSD designed and constructed Phases 1 and 2 of the northern system. Because of the development of The Highlands, Prairie View, Stardust Ranch and Creek Meadow and the future development of The Ridge and Pecan Square, the Town has taken the lead in design and construction of Phase 3 for the benefit of all customers. Belmont FWSD will still proportionally participate in the cost of Phase 3. The proposed budget for these water system improvements are \$12,000,000 and funded by certificates of obligation.

In summary, the Fiscal Year 2019/2020 budget reflects Council strategic goals and the Mayor's budget principles. It serves as an operating guide for management staff and presents the Town's financial plan, illustrating anticipated appropriations and projected revenues by which programs are funded. With the growth in property tax revenue due to new construction, the stabilization of sales tax revenue and the anticipated growth in development related fees, the Town balances the increased demand for services and growth to the Town's infrastructure with a proportional increase of resources. The proposed budget will maintain existing service levels but for a greater number of residents, customers and businesses, and for an increased complexity of activities. The proposed budget will continue to use new resources to invest in infrastructure and in personnel to continue to upgrade our infrastructure and accomplish core municipal functions.

Sincerely,

## **Community Background**

The Town of Northlake was incorporated on December 28, 1960, in an effort to avoid annexation by the City of Irving. Dan and Margaret Ashmore were the first Mayor and Secretary of the Town, and they took it upon themselves to enlist the support of 37 families and produce the required paperwork for incorporation. It required at least 200 people and 2 square miles in order to petition for this incorporation, which would preserve the rural heritage the residents enjoy to this day.

Growth has arrived from Denton and Fort Worth and also Flower Mound and Roanoke. The vision of the “founding families” to maintain a rural setting is captured in the Northlake Comprehensive Land Use Plan. The Plan attempts to find a balance between the ceaseless pressures for growth with the desire to protect a rural core in the center of the Town limits. Through controlled growth, the Town can improve services and infrastructure without overly burdening existing residents. The original generation of town’s “founding families” have passed on and their descendants are struggling with how best to preserve their ancestors’ legacies.

In 1988, the Town and its citizens were impacted economically with the construction of Alliance Industrial Airport, which is located to the south of Town. In 1995, construction began on the Texas Motor Speedway, which is a NASCAR racing facility that seats 200,000 persons at a single event. In 2016, the construction was completed for the new national headquarters, roasting facility and distribution warehouse of Farmer Brothers Company one of the largest wholesale producers of coffee, tea and spices. Other nationally recognized companies joined Northlake such as Stanley Black and Decker and Schluter Systems.

The Town of Northlake is located in Denton County, in a prime location, 20 miles NE of Ft. Worth, 40 miles NW of Dallas, 6 miles SW of Denton, 20 miles NW of the Dallas-Fort Worth Airport and two miles from Alliance Airport. Northlake is adjacent to I-35W and the Texas Motor Speedway. The master planned communities of Harvest and Canyon Falls are located in Town extraterritorial jurisdiction at I-35W and FM 407 and in Town limits at I-35W and FM 1171, respectively.

Northlake is a General Law Type A town that operates under a Mayor-Council form of government with a Mayor and five Council Members. The Mayor and Council members are elected at large, and are responsible for all policy matters. The Town Council has the authority to levy taxes, secure revenue, authorize expenditures of funds and incur debt. A Town Administrator position has been created by ordinance. The Town Administrator is directly responsible to the Town Council and is responsible for the daily operations of the Town and implementing Town Council policy. The Town provides 24-hour police service and employs 14 full time Police Officers.

## **Fund Summaries**

Before moving into the details of the proposed budget for FY 2019/2020, it is important to give a brief overview of the types of funds used in planning and accounting for our annual program of work so that both our Council members and our citizens are fully informed. This should help facilitate a better understanding of our budget as it is reviewed.

### **Governmental Funds**

These funds are used to account for resources that are received and expended with no expectation of a specific user fee or departmental charge. These funds include:

- General Fund
- Capital Projects Funds
- Debt Service Funds
- Special Revenue Funds

The General Fund is used to account for all revenues and expenditures not accounted for in other funds and is the principal fund of the Town. The General Fund, which is used to account for resources associated with core government services, is primarily supported by the ad valorem tax, general sales tax, franchise taxes, license and permit fees, and municipal court fines. All the programs included in the budget are justified, efficient, and serve the basic needs of the community. The Town has recently implemented capital project and debt service funds separate from the General Fund to capture costs associated with these specific activities.

The Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes, such as the Type A Economic Development Fund, Type B Economic Development Fund, Hotel Occupancy Tax Fund, Court Security, Court Technology, Child Safety and Education and proposed Traffic Safety.

### **Proprietary Funds**

The Proprietary Funds are for ongoing organizations and activities that are similar to those often found in the private sector. These funds include:

- Enterprise Funds
- Internal Service Funds

Enterprise Funds account for services that are funded directly user fees. They are financed similarly to a private business, in that cost of providing goods and services are self-supporting. The Utility Fund is used to account for the provision of water and wastewater services to the citizens of Northlake. All activities necessary to provide such services are accounted for in this fund, including administration, operations, maintenance, financing, debt service, billing and collection. Internal Service Funds capture and distribute internal service costs such as fleet and building maintenance. The Equipment Fund supports vehicle and equipment purchases and leases, and parts and maintenance. The Building Fund will provide for operations and maintenance of shared Town facilities and allow for repairs to existing buildings. Information Technology Fund accounts for services and computer replacement.

**TOWN OF NORTHLAKE, TEXAS  
ORDINANCE NO. 19-0912E**

**AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS FIXING AND LEVYING MUNICIPAL AD VALOREM TAXES ON ALL TAXABLE PROPERTY WITHIN THE CORPORATE LIMITS OF THE TOWN OF NORTHLAKE, TEXAS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2019 AND ENDING SEPTEMBER 30, 2020 AT THE RATE OF \$0.295000 PER ONE HUNDRED DOLLARS (\$100.00), AND FOR DIRECTING THE ASSESSMENT THEREOF; PROVIDING FOR A DATE ON WHICH SUCH TAXES BECOME DUE AND DELINQUENT TOGETHER WITH PENALTIES AND INTEREST THEREON; PROVIDING FOR PLACE OF PAYMENT; PROVIDING FOR APPROVAL OF THE TAX ROLLS PRESENTED TO THE TOWN COUNCIL; PROVIDING FOR REPEALING, SAVINGS AND SEVERABILITY CLAUSES; PROVIDING FOR AN EFFECTIVE DATE**

**WHEREAS**, the Town Council hereby finds that the tax for the fiscal year beginning October 1, 2019 and ending September 30, 2020, thereafter levied for current expenses of the Town and the general improvements of the Town and its property must be levied to provide the revenue requirements of the budget for the ensuing year; and

**WHEREAS**, the Town Council approved on September 12, 2019 a separate budget ordinance for the fiscal year beginning October 1, 2019 and the 2019 Appraisal Roll of the Town of Northlake as approved by the Appraisal Review Board of the Denton Central Appraisal District; and

**WHEREAS**, pursuant to Section 26.05 of the Texas Tax Code, the Town Council held a public hearing concerning the proposed tax rate on August 22, 2019 and August 29, 2019 and all statutory and constitutional requirements concerning the levying and assessing of ad valorem taxes have been completed in due and correct time.

**NOW, THEREFORE, BE IT ORDAINED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS:**

**Section 1. Findings Incorporated.** The findings set forth above are incorporated into the body of this Ordinance as if fully set forth herein.

**Section 2. Tax Levied.** That, there is hereby levied and ordered to be assessed and collected for the fiscal year beginning October 1, 2019 and ending on September 30, 2020, and for each fiscal year thereafter until it be otherwise provided and ordained, on all taxable property, real, personal and mixed, situated within the corporate limits of the Town of Northlake, Texas, and not exempt from taxation by the constitution of the State of Texas and valid law, an ad valorem tax rate of \$0.295000 on each One Hundred Dollar (\$100.00) valuation of such property assessed value of taxable property, which tax rate is apportioned and distributed as follows:

- a. For the purpose of defraying the current maintenance and operation expenses of the Town (General Fund): \$0.155563 on each One Hundred Dollars (\$100.00) assessed value of taxable property

- b. For the purposed of creating a Debt Service Fund to pay the interest and principle on all outstanding indebtedness which shall be applied to the payment of such interest and maturities of all outstanding bonded indebtedness: \$0.139437 on each One Hundred Dollars (\$100.00) assess value of all taxable property

Total tax rate \$0.295000

**Section 3.** THAT, THIS TAX RATE WILL RAISE LESS TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL DECREASE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$14.94.

**Section 4.** THAT, THIS TAX RATE WILL RAISE MORE TAXES FOR DEBT SERVICE THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL RAISE TAXES FOR DEBT SERVICE ON A \$100,000 HOME BY APPROXIMATELY \$14.94.

**Section 5.** THAT, there shall be exempted from the valuation of all residential homesteads for which proper application shall have been made, an amount equal to the greater of five thousand dollars (\$5,000) or five percent (5%) of the appraised value of the residence homestead, subject to the limitations set forth in Texas law, including Section 11.13(n) of the Texas Tax Code, as it exists or may be amended.

**Section 6.** THAT, there shall be exempted the sum of Fifteen Thousand Dollars (\$15,000) of the assessed value of residence homesteads of the Town of Northlake, Texas who are sixty-five (65) years of age or older, from all ad valorem taxes levied by the Town of Northlake, Texas.

**Section 7.** THAT, there shall be exempted the sum of Fifteen Thousand Dollars (\$15,000) of the assessed value of residence homesteads of residents of the Town of Northlake, Texas meeting the definition of a "disabled" individual, as defined by the Texas Tax Code.

**Section 8.** **Due Date of Taxes.** The taxes assessed and levied hereby are payable any time after the approval and publication of this Ordinance and not later than January 31 of the year following the year in which the taxes are assessed. The penalties and interest provided for herein shall accrue after January 31 of the year following the year in which the taxes are assessed. However, if the entire taxes due as provided herein are paid in full by January 31 of the year following the year in which the taxes are assessed, no penalty or interest shall be due.

**Section 9.** **Penalties and Interest.** A delinquent tax shall incur the maximum penalty and interest authorized by Section 33.01, Texas Property Tax Code, to-wit: a penalty of six percent (6%) of the amount of the tax for the first calendar month it is delinquent, plus one percent (1%) for each additional month or portion of a month the tax remains unpaid prior to July 1<sup>st</sup> of the year in which it becomes delinquent.

Provided, however, a tax that is delinquent on July 1<sup>st</sup> of the year in which it becomes delinquent shall incur a total penalty of twelve percent (12%) of the amount of the delinquent tax without regard to the number of months the tax has been delinquent. A delinquent tax shall also accrue interest at a rate of one percent (1%) for each month or portion of a month the tax remains unpaid. Taxes that remain delinquent on July 1 of the year in which they become delinquent shall incur an additional penalty of fifteen percent (15%) of the amount of taxes, penalty and interest due; such additional penalty is to defray the costs of collection as authorized by Section 6.30, Texas Property Tax Code.

**Section 10. Place of Payment/Collection.** Taxes are payable at the office of the Tax Assessor/Collector. The Town shall have available all rights and remedies provided by law for the enforcement of the collection of taxes levied under this ordinance.

**Section 11. Tax Roll.** The real and personal property tax appraisal rolls as certified by the Chief Appraiser of the Denton Central Appraisal District, as presented to the Town Council, together with any supplement thereto, are hereby accepted.

**Section 12. Savings/Repealing Clause.** All provisions of any ordinance in conflict with this Ordinance are hereby repealed; but such repeal shall not abate any pending prosecution for violation of the repealed Ordinance, nor shall the repeal prevent prosecution from being commenced for any violation if occurring prior to the repeal of the Ordinance. Any remaining portions of conflicting ordinances shall remain in full force and effect.

**Section 13. Severability.** Should any section, subsection, sentence, clause or phrase of this Ordinance be declared unconstitutional or invalid by a court of competent jurisdiction, it is expressly provided that any and all remaining portions of this Ordinance shall remain in full force and effect. The Town hereby declares that it would have passed this Ordinance, and each section, subsection, sentence, clause, or phrase thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared unconstitutional or invalid.

**Section 14. Effective Date.** This Ordinance shall become effective from and after its adoption.

**PASSED AND APPROVED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS

Re: 16-Inch Water Line from Harvest Elevated Storage Tank to Cleveland-Gibbs Rd.

Dear Mr. Corn:

Bids were opened on the above-referenced project on Tuesday, August 20, 2019, at the Town of Northlake. Eight (8) bids were received, and they ranged from a high bid of \$742,836.00 to a low bid of \$257,676.00. Quality Excavation, Ltd. was the low bidder. We have contacted the County of Denton, the Town of Copper Canyon, and the City of The Colony who have awarded similar projects to Quality Excavation to verify their qualifications.

In a conversation with Mr. Robert White with the County of Denton concerning Quality Excavation's performance on their Canyon Oaks Paving construction project, Mr. White stated that Quality did an outstanding job on the project. He stated that their workmanship on pavement was excellent and their ability to resolve utility issues and concerns was satisfactory as they were proactive in communication and discussion. He stated they worked well with residents and city inspectors, answering questions, explaining their work, keeping clean yards and providing timely responses. In terms of scheduling, he stated this was a fast track project with a highly compressed schedule and they met Mr. White's deadline of finishing before the holiday season. Mr. White stated they didn't have any change orders and that Stacy and Doug did a good job of staying on top of quantities. In the end the project finished on time and under budget. Mr. White stated he looks forward to working with them again.

We spoke with Donna Welsh from the Town of Copper Canyon concerning Quality's job on their Chinn Chapel Road and Woodland Drive Reconstruction project. She stated she's worked on several projects with them and appreciates the way they approach and carry out their work. She stated they were very communicative and responsive to requests throughout the project. She mentioned they were very good about working and communicating with residents. She stated that their workmanship was outstanding, and their project finished early.

The City of The Colony has awarded Quality Excavation similar water line improvement projects. Robert Kotasek stated that Quality Excavation has done a satisfactory job on all the City's projects and are great to work with. They plan ahead to keep items and concerns addressed prior to any potential for an issue to arise. Quality's project superintendent and office staff are always responsive on handling any issues or questions from the City. They completed all projects in a timely and professional manner, on schedule and with no payment issues or liens. He stated that Quality Excavation has the capability to construct this project based on their previous and current work on City of The Colony projects and that they would continue to recommend awarding them future projects.

I also spoke with Doug Murphy from Quality Excavation, Ltd. He stated that there were currently no claims against them, and that they were bonded for the project.

After considering the bid price, reputation of the bidder, and the quality of the bidders' services, Halff Associates has determined that **Quality Excavation Ltd. is the lowest responsible bidder and recommends award of the contract in the amount of \$257,676.00.**

Re: Mulkey Road Improvements in The Highlands Phase II

---

Per the developer agreement with Realty Capital, developer of The Highlands, they are to apply a two-inch asphalt overlay to existing Mulkey Lane on sections contiguous to development phases. They are completing Phase II and inquired on how the Town would like to proceed. However, after discussions, staff determined this would not be the best use of the developer's obligation. The condition of the road base of this section from Northwest Crossing to about 2,000 feet south is in poor condition. An overlay on the existing road would soon fail.

We have investigated some options:

1. Escrow the funds which would have been used for the overlay until the complete reconstruction can be funded (approximately \$84,000). The ultimate section could be years away depending on the extension of FM 1171 from IH-35W to FM 156.
2. Contribute \$50,000 of Town funds to the project to mill the existing road surface and add cement stabilization similar to the process used on the recent Florance Road reconstruction.
3. Overlay the existing surface with no Town partnership per the agreement.

Mayor Rettig has recommended moving forward with Option 2 using road maintenance funds which has a total budget of \$130,000 for FY 2020. Another funding option would be to use remaining funds from the Series 2016 Certificates of Obligation.

**RESOLUTION NO. 19-21**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS, AUTHORIZING THE TOWN ADMINISTRATOR TO NEGOTIATE AND ENTER INTO AN AGREEMENT FOR ROAD BASE PREPARATION AS PART OF THE MULKEY ROAD IMPROVEMENTS IN THE HIGHLANDS PHASE II; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Town Council of the Town of Northlake, Texas, understands that strategic public investment and partnership in infrastructure construction in the near term can benefit the Town by reducing costs in the future; and

**WHEREAS**, Mulkey Road was paved in the 1990s to provide access to the former dude ranch known as Texas Lil's; and

**WHEREAS**, in the interim, traffic on Mulkey Road was minimal after the closing of the dude ranch but over the years the road has deteriorated; and

**WHEREAS**, the Northwest Independent School District purchased the dude ranch and constructed the Outdoor Learning Center; and

**WHEREAS**, to the east of Mulkey Road, Realty Capital purchased and developed property for The Highlands neighborhood; and

**WHEREAS**, as part of the development agreement, Realty Capital is to overlay existing Mulkey Road with two inches of asphalt; and

**WHEREAS**, the current road is failing to such a state that the overlay would be counter-productive if the road base is not better prepared; and

**WHEREAS**, working with the developer, the Town could prepare the road base prior to the overlay providing for a longer lasting road section; and

**WHEREAS**, the Town Engineer has estimated the cost of the road base preparation to be \$50,000 and would include milling existing surface and cement stabilization; and

**WHEREAS**, the developer would be responsible for the overlay; and

**WHEREAS**, the same contractor would perform both the road base preparation and the surface overlay; and

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS THAT:**

**SECTION 1.** All of the above premises are true and correct legislative and factual findings of the Town Council, and they are hereby approved, ratified and incorporated into the body of this resolution as if copied in their entirety.

**SECTION 2.** The Town Council hereby finds and determines that a public purpose and necessity exists for the Town to enter into an agreement for the road base preparation as part of the Mulkey Road improvements in The Highlands Phase II with consultation from Town staff and other Town consultants.

**SECTION 3.** The Town Administrator is hereby authorized, on behalf of the Town, to finalize and enter into an agreement whereby the Town will receive road improvements for Mulkey Road at a cost not to exceed \$50,000.

**SECTION 4.** This resolution shall take effect immediately from and after its passage.

Re: Purchasing Policy Update

---

On Thursday, August 22, 2019 Town Council heard a point-by-point overview of staff's recommended changes to the Purchasing Policy. The item is before Town Council tonight for approval.

### **Summary**

This is the first major revision of the Town of Northlake Purchasing Policy since 2009. In the past ten years the Town of Northlake's staff has nearly tripled in size, to meet the ever-increasing service demand of its citizens and businesses. State and national purchasing requirements have also evolved.

The revisions to the purchasing policy bring the Town in compliance with current state and national requirements. The new policy will increase internal controls by pushing purchasing approval down to the level of the subject matter experts and financial staff. The Town Administrator and Town Secretary will maintain oversight through the approval of the disbursement of payment. Lastly, implementing a vendor packet that will enable the finance department to move into the digital era of electronic disbursements for accounts payable, while implementing a strong fraud prevention system.

Please contact me at 940.242.5706 if you have any questions related to the policy updates.

**RESOLUTION NO. 19-22**

**A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS,  
APPROVING AND ADOPTING THE TOWN OF NORTHLAKE PURCHASING POLICY  
REVISIONS AND UPDATES; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Town of Northlake, Texas, acknowledges the high priority of providing the necessary guardianship of public funds in the municipal sector; and

**WHEREAS**, the Town Council expressly intends to set high fiscal standards, delegate bidding and purchasing duties to appropriate officials, and to review the actual performance at regular intervals; and

**WHEREAS**, on August 27, 2009, the Town Council implemented bidding and purchasing requirements set forth in Texas Government Code, V.C.T.A., Section 252; and

**WHEREAS**, since 2009 Town staff has grown in size, complexity and expertise, many State requirements have been revised, and purchasing methods and patterns have changed due to the growth in and predominance of internet-based purchasing; and

**WHEREAS**, the Town Council has determined that it is advisable to update and amend the previously implemented bidding and purchasing policies as set out herein.

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF NORTHLAKE, TEXAS THAT:**

**SECTION 1.** The Town Council has reviewed and hereby adopts the revised and updated Town of Northlake Purchasing Policy attached as Exhibit "A" hereto, including all revisions and changes required under State law or recommended by Town staff.

**SECTION 2.** The updated Town of Northlake Purchasing Policy attached as Exhibit "A" shall be effective immediately upon passage.

**PASSED AND APPROVED THIS THE 12<sup>TH</sup> DAY OF SEPTEMBER 2019.**

# **TOWN OF NORTHLAKE PURCHASING POLICY**

## **1. PURPOSE**

- a. The purpose of this Policy shall be to establish guidelines for procurement of supplies, materials and services for the Town of Northlake (the Town).
- b. This Policy shall also establish the internal control procedures that all vendors and Town personnel are to follow. Internal control is required to assist in the prevention of any unauthorized purchases by the Town, and any evidence of collusion by vendors.
- c. This Policy shall further establish guidelines to provide the citizens and taxpayers of the Town with assurance that the best use of the available resources of the Town are being realized. Further, this Policy is intended to promote competition among bidders and vendors interested in providing products or services to the Town.
- d. The statutory authority for this Policy shall be the Local Government Code, Section 252, subsequent amendments, and other State of Texas statutes that may be referenced herein.

## **2. THE PURCHASING FUNCTION**

- a. The basic function of a purchasing system is to support and enhance the delivery of Town services.
- b. The optimum performance of this function requires that the purchasing system continually provide departments of the Town with proper quality as well as proper quantity of requested commodities within an acceptable time frame, at the lowest cost.

## **3. PURCHASING POLICY**

The following Purchasing Policy is hereby established.

- a. Purchases not subject to competitive bidding:  
Purchases less than \$50,000 are not subject to the statutory competitive bid process (see below, Purchases subject to competitive bidding).
  - i. Purchases less than \$3,000 require approval by the Department Director or designee, and do not require competitive price quotations or an authorized requisition and purchase order.
    1. Invoice payment requests less than \$3,000 should be signed, coded (with a general ledger account number), and turned into the Finance Department for payment.
    2. If the vendor is not currently active with the Town, provide them with a vendor packet to be completed and submitted to the

## **TOWN OF NORTHLAKE PURCHASING POLICY**

Finance Department. Payment cannot be remitted until vendor packet is received.

- ii. Purchases \$3,000 and above require:
    - 1. Compliance with the States Historically Underutilized Business (HUB) requirement and/ or,
    - 2. Three written quotes from vendors,
    - 3. Completed and authorized Requisition Form.
    - 4. If the successful vendor is not currently active with the Town, provide them with a vendor packet to be completed and submitted to the Finance Department.
    - 5. The Town Accountant will issue a Purchase Order after receiving:
      - a. An electronic Purchase Order request authorized by the Department Director,
      - b. Supporting written quotes including compliance with the States HUB requirements,
      - c. Vendor packet (if not a current vendor).
  - iii. Requisitions for purchases in excess of \$10,000 also require Town Administrator approval. If funds have not been specifically budgeted in the current budget year, then they must be expressly authorized and approved by separate action of the Town Council.
  - iv. Requisitions for purchases in excess of \$25,000 require Town Council approval.
- b. Purchases subject to competitive bidding.
- i. Purchases in excess of \$50,000 shall be competitively bid and awarded only by the Town Council.
  - ii. Sequential or component purchases exceeding \$50,000 during any fiscal year period shall be deemed as meeting the competitive bidding requirements of this Policy.
- c. Procurement of Professional Services. Contracts for professional services shall comply with the Professional Services Procurement Act, Government Code, Section 2254, and subsequent amendments. The following guidelines shall apply to procurement of professional services.
- i. Professional services may not be awarded on the basis of competitive bidding.
  - ii. Professional services must be awarded on the basis of demonstrated competence and qualifications.

## **TOWN OF NORTHLAKE PURCHASING POLICY**

- iii. The Town Administrator may authorize and approve professional services less than \$25,000 during a fiscal year period, without specified Town Council approval, provided available funds are budgeted therefore.
- iv. The Town Council shall authorize any professional service contract which will exceed \$25,000 during a fiscal year period, on the basis of the above criteria.
- d. Cooperative Purchasing. Whenever it is determined to be advantageous to the Town, cooperative purchasing with other local governmental agencies may be used. Requester must provide contract number. Such cooperative agreements shall be approved by all governing bodies for each local agency participating in any purchasing cooperative. The provisions of the Local Government Code (Subchapter D, Sections 271.081 through 271.083) shall apply.
- e. Exceptions to Policy. Emergency procurements, professional services, purchases of land, items available from only one source, etc. are exceptions to the competitive bidding requirements for purchases and shall comply with Local Government Code, Section 252.022.
- f. Authorization and Approval of Change Orders. Authorization and approval of change orders shall follow the same dollar limitations and requirements as provided above in Section 3(a) and (b). The Town Council hereby grants the Town Administrator authority to execute any and all change orders which involve a decrease or an increase of up to \$25,000 or 25% of the original contract, provided the total contract expenditures remain within the budgeted amount.
- g. Vendor Packets. Vendor packets are a crucial part of the accounts payable system. They allow for fraud prevention by providing vendor contact information that allows for the authentication of vendor file changes. All active vendors must have a complete vendor packet containing: the vendor management page, a signed W-9, and a conflict of interest disclosure questionnaire. Vendor Packets will be updated annually with all vendors.

Re: Pioneer Grant Program Application for Bella Italia Bistro and Sales Tax  
Reimbursement Grant for Texas Roadhouse Restaurants

---

## Pioneer Grant Program Background

The Pioneer Grant Program (PGP) is an incentive program that was authorized by the EDC and CDC boards on November 17, 2011, to incentivize the initial development of retail, restaurant, and service businesses in Northlake. When the program was created, the only retail and restaurant businesses in Northlake were the Subway and the Shell and Valero convenience stores. When staff recruited retailers and restaurants, they did not want to be the “first” to locate in Northlake because it was an unproven market. The PGP was developed to help overcome that hurdle. Five PGP’s have been awarded since the inception of the program. Information on those Pioneer Grants is below.

| Year | Business Name        | Grant Amount | Category                                                                          |
|------|----------------------|--------------|-----------------------------------------------------------------------------------|
| 2015 | Rosa’s Café          | \$150,000    | 1 <sup>st</sup> limited service restaurant plus bonus for 1 <sup>st</sup> overall |
| 2016 | Sonic                | \$62,500     | 2 <sup>nd</sup> limited service restaurant plus bonus for 2 <sup>nd</sup> overall |
| 2017 | IHOP                 | \$150,000    | 1 <sup>st</sup> full-service restaurant                                           |
| 2018 | BurgerIM             | \$25,000     | 3 <sup>rd</sup> limited service restaurant                                        |
| 2018 | Amano Italian Bistro | \$100,000    | 2 <sup>nd</sup> full-service restaurant                                           |

The PGP flyer is attached which lists the details of the program as well as funding guidelines. The grant is provided in the form of a 5-year forgivable loan with 1/5<sup>th</sup> of the loan forgiven after each year of the first five years the business is in operation, so it essentially becomes a grant as long as the business is open and operating for at least 5 years. The first business of each category gets more than the second and so on. The funding guidelines are also based upon expected taxable sales so that any grant is essentially paid back with sales taxes paid by the business within 5-10 years. Funding is not provided to the business until the Certificate of Occupancy (CO) is issued, reducing the risk of an incentive being granted and a business never opening. Funding is provided by the EDC and CDC which each pay for 50% of each grant. Commercial real estate brokers, as well as Town staff, use the incentive program

as an important recruiting tool and are now able to point to the success of existing businesses that have benefited from it.

### **New Pioneer Grant Program Applications**

While only one slot in the original Pioneer Grant framework remains in a restaurant, staff has been talking with a few restaurants that have been interested in the program. Bella Italia Bistro, a proposed full-service Italian restaurant going in Phase 4 of the Northlake Commons development, submitted an application in April of this year. The EDC and CDC boards approved a grant on May 16th in the amount of \$50,000 for being the 3<sup>rd</sup> and final full-service restaurant in the program, but approval is required by the Town Council due to the amount of the expenditure. An application with more details on the restaurant is attached for your review along with a draft performance agreement for the grant. A performance agreement is required by state law to tie the incentive to a capital investment and/or job creation target.

### **Transitioning to a Performance Based Reimbursement Program**

Upon approval of the Pioneer Grant for Bella Italia Bistro, the EDC and CDC discussed options for restaurants in the PGP since all categories for restaurants in the original PGP framework had been exhausted. Since quality, unique restaurants and high sales tax generating business remain a priority, the EDC and CDC boards directed staff to continue the program for restaurants so that they could consider potential incentives on a case-by-case basis.

Texas Roadhouse is another restaurant that staff has been recruiting to Northlake. It is one of the restaurants and retailers identified as a match by Buxton. They are considering a site on IH 35W just north of Rosa's Café. Texas Roadhouse submitted an application for a Pioneer Grant last month which was the first to be considered by the EDC and CDC under the new case-by-case basis review policy. The EDC and CDC recommended approval of the attached incentive agreement which requires final approval of Town Council. The key deal points are summarized below including the net gain projected to the general fund during the term of the agreement.

- \$50,000 one-time sales tax grant
  - \$25,000 from EDC and \$25,000 from CDC
  - Grant awarded upon issuance of Certificate of Occupancy similar to PGP
- 100% EDC (0.5%) and CDC (0.5%) sales tax reimbursement
  - Estimated \$5,000,000 in annual taxable sales
  - 4-year term, estimated \$50,000 per year or \$200,000 term
  - Net gain to general fund, estimated \$200,000
- 100% construction EDC & CDC sales tax reimbursement
  - \$3.5 M in construction value
  - One-time payment, estimated \$35,000 (\$17,500 from EDC & \$17,500 from CDC)
  - Net gain to general fund, estimated \$35,000

# Your business is wanted in Northlake, Texas.

## The pioneer grant program (PGP) will reward you for being a business pioneer.

- Who?** Business owners that commit to opening a new retail, restaurant, or service business establishment in Northlake are eligible to apply for a Pioneer Grant.
- What?** The PGP is an incentive program created to spur economic development activity by encouraging the initial development of retail, restaurant, and service businesses in Northlake.
- When?** Applications for the PGP are considered on a first come, first served basis. The PGP is available for a limited time, subject to funding availability and the continued need for “pioneer” businesses. The PGP is intended to defray the costs of locating in Northlake. Timing of the grant funding will be subject to the terms and conditions of an incentive agreement with funding typically given upon issuance of a certificate of occupancy.
- Where?** Incentives shall only be granted for new business establishments to be located in the Town of Northlake, Texas.
- Why?** Northlake has a superb location with great potential, but due to its location in an emerging market, it has been difficult to get businesses to “risk” being the first to locate in the market. The PGP offers special incentives to “pioneer” businesses willing to be the first or among the first businesses of that kind to locate in Northlake.
- How?** PGP incentives will be awarded in the form of a 5-year forgivable loan with 1/5th of the loan forgiven after each year of the first five years the business is in operation. Funding for the PGP is provided by the Northlake Economic Development Corporation (EDC) and the Northlake Community Development Corporation (CDC). The EDC and CDC are the initial approval authorities for each PGP application, and the Northlake Town Council has final authority on approval of each PGP application. The grant amounts listed in the table below are guidelines for typical businesses in these categories. Final grant amounts will be determined by the EDC and CDC based on the expected economic impact and projected sales tax revenues to be generated by the business.

| Category                                     | Description                                                                                        | 1st Grant                                                                             | 2nd Grant                                                                             | 3rd Grant                                                                             |

## **5. Supporting Information**

### **5.1. Incentive amount requested and rationale for request**

We are requesting \$100,000 for the project to cover our startup costs (estimated to be more than \$289,000, not including the property value of \$150,000). Opening our restaurant in a developing part of town is a high-risk investment.

### **5.2. Overview of company/project team including related experience**

We are a family business with 15 years of restaurant-ownership experience. We have owned and operated 7 restaurants in the last 15 years, and we currently own 3 restaurants in the North Texas area.

### **5.3. Additional general comments from applicant (if desired)**

We would like to be the first restaurant in the northern Northlake residential area.

## **PIONEER GRANT PERFORMANCE AGREEMENT**

This Pioneer Grant Performance Agreement is entered into by and between the Town of Northlake, Texas, a type A general-law municipality of Denton County, Texas, the Northlake Economic Development Corporation (the "EDC") and the Northlake Community Development Corporation (the "CDC") (the Town of Northlake, together with the EDC and CDC, the "Town"), and Bella Italia Bistro (the "Grantee").

### **WITNESSETH:**

**WHEREAS**, the Town Council on December 11, 2014 approved Resolution No. 14-32 adopting an Incentives Policy for the Town (the "Policy") as amended, which: (1) established certain guidelines and criteria for the use of Town incentive programs for private development projects; and (2) authorized the establishment of programs for making loans and grants of Type A and Type B economic development sales tax funds to promote local economic development and to stimulate business and commercial activity in the Town of Northlake pursuant to the Development Corporation Act, codified in Chapters 501-505 of the Texas Local Government Code, (the "Act"); and

**WHEREAS**, the Town has established the Pioneer Grant Program pursuant to the Policy to promote the development of retail, restaurant, and service businesses in the Town of Northlake; and

**WHEREAS**, the Grantee has submitted an application to receive a Pioneer Grant for the development of a restaurant; and

**WHEREAS**, the Town has reviewed the application and is willing to provide Grant funds for the use of the Grantee, provided that the Grantee meets certain criteria relating to capital investments and new jobs; and

**WHEREAS**, the Grantee is required to return all or a portion of the funds received to the Town if the performance criteria of the Grantee are not met; and

**WHEREAS**, the Town and the Grantee desire to set forth their understanding and agreement as to the payout of the Grant proceeds, the obligations of the Grantee regarding capital investment and new job creation, and the repayment by the Grantee of all or part of the Grant under certain circumstances; and

**WHEREAS**, the Grantee's plans to construct an approximately 2,500 square-foot full-service restaurant facility (the "Facility") will entail a capital expenditure of greater than \$250,000 referred to in the Agreement as the "Capital Investment"; and

**WHEREAS**, it is expected that 4 New Jobs, as defined herein, will be created at the Facility, with an average annual income of \$35,000; and

**WHEREAS**, together, the Capital Investment target of \$250,000 and the New Jobs target of 4 are referred to herein as the “Targets”; and

**WHEREAS**, the Facility is expected to generate approximately \$750,000 in annual taxable sales in addition to the indirect benefit of establishing Northlake as a retail and restaurant destination with the potential to encourage additional restaurant and retail development; and

**WHEREAS**, the EDC and CDC boards of directors designated an incentive for the development of the Facility in the total amount of \$50,000 (payment to be split evenly between the EDC and CDC) as a project that will promote new business development at their May 16, 2019 board meetings; and

**WHEREAS**, all requirements of the Act shall be met prior to distribution of grant funds, including, but not limited to, any requirements for public hearings, notice and authorization of the Town Council;

**NOW, THEREFORE**, in consideration of the foregoing, the mutual benefits, promises and undertakings of the parties to this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto covenant and agree as follows:

### **Section 1. Disbursement of the Grant.**

The Grant in the amount of \$50,000 will be paid to the Grantee upon completion of the Facility as certified by the issuance of a Certificate of Occupancy (the “CO”) by the Town. Within 30 days of issuance of the CO, the Town will disburse the Grant proceeds to the Grantee as an inducement to the Grantee to achieve the Targets at the Facility.

### **Section 2. Targets and Definitions.**

The Grantee will develop the Facility as a finish out space within Northlake Commons Building 4A at 1611 Commons Circle, make a capital investment of at least \$250,000, and create and maintain at least 4 New Jobs at the Facility. The actual construction costs of the Facility shall meet the Capital Investment Target and such investment shall be satisfied with completion of construction which shall culminate in the issuance of a CO within one year of substantial completion of the shell of Northlake Commons Building 4A. The New Jobs Target shall be met within one year of the issuance of the CO and the Target shall be maintained through the final Performance Date which shall be five years from the issuance of the CO.

For the purpose of this Agreement, the following terms shall have the following definitions:

“Capital Investment” means a capital expenditure in taxable real property, taxable tangible personal property, or both at the Facility (excluding the purchase of land or existing real property

improvements). The capital investment must be in addition to the capital improvements at the Facility at the date of this Agreement.

“Employee” means the full-time equivalent (FTE) employment of a person performing a duty for the Grantee at the facility. This term shall not include contract workers who are considered independent contractors for the Grantee.

“Maintain” means that the new jobs created pursuant to the Grant will continue without interruption from the date of creation through the Performance Date.

“New Job” means new permanent employment of an Employee for an indefinite duration at the Facility. Each New Job must require a minimum of either (1) 30 hours of an Employee’s time per week for the entire normal year of the Grantee’s operations, which “normal year” must consist of a least 52 weeks, or (2) 1,560 hours per year. Seasonal or temporary positions, positions created when a job function is shifted from an existing location in the Town limits of Northlake, and positions with contractors, suppliers, and similar multiplier or spin-off jobs shall not qualify as New Jobs.

### **Section 3. Repayment Obligation.**

Determination of Inability to Comply: If the Town, in its sole discretion, determines at any time prior to the Performance Date (a “Determination Date”) that the Grantee is unable or unwilling to meet and maintain any of its Targets by and through the Performance Date, and if the Town promptly notifies the Grantee of such determination, the Grantee must repay the Grant proceeds based upon the following schedule:

|                                                                                              |                |
|----------------------------------------------------------------------------------------------|----------------|
| In the 1st year following CO issuance                                                        | Repay \$50,000 |
| On or after the 1st anniversary of CO issuance but before the 2nd anniversary of CO issuance | Repay \$40,000 |
| On or after the 2nd anniversary of CO issuance but before the 3rd anniversary of CO issuance | Repay \$30,000 |
| On or after the 3rd anniversary of CO issuance but before the 4th anniversary of CO issuance | Repay \$20,000 |
| On or after the 4th anniversary of CO issuance but before the 5th anniversary of CO issuance | Repay \$10,000 |

Repayment Dates: Such repayment shall be due from the Grantee to the Town within thirty days of the Performance Date or the Determination Date, as applicable.

### **Section 4. Grantee Reporting.**

The Grantee shall provide, at the Grantee’s expense, detailed verification reasonably satisfactory to the Town of the Grantee’s progress on the Targets. Such progress reports will be provided at least annually, starting at twelve months from the date that the Grantee receives the Grant, and at

such other times as the Town may require for a period of five years from the grant proceeds award date.

## **Section 5. Notices.**

Any notices required or permitted under this Agreement shall be given in writing, and shall be deemed to be received upon receipt or refusal after mailing of the same in the United States Mail by certified mail, postage fully pre-paid or by overnight courier (refusal shall mean return or certified mail not accepted by the addressee):

**Section 6. Miscellaneous.**

- A. Entire Agreement; Amendments: This Agreement constitutes the entire agreement between the parties hereto as to the subject matter contained herein and may not be amended or modified, except in writing signed by each of the parties hereto. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. The Grantee may not assign its rights and obligations under this Agreement without the prior written consent of the Town.
- B. Governing Law; Venue: This Agreement is made and performable in the Town limits of Northlake in Denton County, Texas and shall be construed and enforced by local and state laws within the State of Texas. Venue for any litigation arising out of or involving this Agreement shall lie in Denton County, Texas.
- C. Counterparts: This Agreement may be executed in one or more counterparts, each of which shall be an original, and all of which together shall be one and the same instrument.
- D. Severability: If any provision of this Agreement is determined to be unenforceable, then the remaining provisions of this Agreement shall, in the discretion of the Town, be voidable or interpreted as in effect as if such unenforceable provision were not included therein.

CHAPTER 380 ECONOMIC DEVELOPMENT AGREEMENT AMONG  
THE TOWN OF NORTHLAKE, NORTHLAKE ECONOMIC DEVELOPMENT  
CORPORATION, NORTHLAKE COMMUNITY DEVELOPMENT CORPORATION AND  
ROADHOUSE ENTERPRISES, INC.

This Chapter 380 Economic Development Agreement (the “**Agreement**”) is entered into as of the Effective Date by and among the Town of Northlake, Texas (the “**Town**”), a type A general-law municipality, the Northlake Economic Development Corporation (the “**EDC**”) and the Northlake Community Development Corporation (the “**CDC**”) (the EDC, together with the CDC, the “**EDCs**”), and Roadhouse Enterprises, Inc., a Texas corporation (such entity together with its permitted successors and assigns, the “**Grantee**,” and together with the Town and EDCs, the “**Parties**,” and each a “**Party**”).

**R E C I T A L S**

**WHEREAS**, the Town recognizes the importance of diverse and sustainable economic growth that is consistent with community values; and

**WHEREAS**, the Town Council on December 11, 2014 approved Resolution No. 14-32 adopting an Incentives Policy for the Town (the “**Policy**”) as amended, which: (1) established certain guidelines and criteria for the use of Town incentive programs for private development projects; and (2) authorized the establishment of programs for making loans and grants of public money to promote local economic development and to stimulate business and commercial activity in the Town of Northlake pursuant to the Economic Development Programs provisions under Chapter 380 of the Texas Local Government Code, (the “**Act**”); and

**WHEREAS**, the Grantee is either the owner or in control of property within the corporate limits of the Town being more particularly described in Exhibit A, attached hereto (the “**Property**”); and

**WHEREAS**, the Grantee intends to develop the Property by constructing a minimum 7,402 square-foot restaurant facility more particularly described in Exhibit B, attached hereto (the “**Restaurant Project**”); and

**WHEREAS**, the Town finds that if the Restaurant Project is completed, approved, and accepted by the Town, it will be consistent with the objectives of the Town's Policy and therefore it will be eligible for incentives because the Restaurant Project will (i) attract high quality economic growth, (ii) generate job creation, (iii) provide for a diversified tax base, (iv) enhance the Town's ability to provide quality municipal services and (v) provide for the safety, comfort and enjoyment of residents of the Town; and

**WHEREAS**, the Grantee has requested that the Town and the EDCs enter into this Agreement, in order that the Restaurant Project may be competitive in the I 35W corridor resulting in the intended economic benefits to the Town; and

**WHEREAS**, the Town Council and the boards of the respective EDCs have reviewed the potential use of incentives as it relates to the Restaurant Project and the economic development objectives of the Town and finds that the Town should offer certain incentives to support the development of the Property pursuant to the Town's authority under Chapter 380 of the Texas Local Government Code and the Town's economic development policies; and

**WHEREAS**, the Town of Northlake, the EDC, and the CDC find that the contemplated investment in the Property as set forth in this Agreement is consistent with encouraging development of the Town, is in compliance with the Town's Policy, will promote new and expanded business development, and will create and retain primary jobs.

**NOW, THEREFORE**, for and in consideration of the forgoing recitals and the mutual benefits and promises contained herein the parties agree as follows:

1. **Definitions.** The following definitions shall be used in this Agreement.

Agreement: Shall mean this Chapter 380 Economic Development Agreement.

Appraisal District: Shall mean the Denton County Appraisal District.

Certificate of Occupancy: Shall mean a temporary or permanent Certificate issued by the Town and granting the Grantee the right to occupy the Improvements.

CDC: Shall mean the Northlake Community Development Corporation.

Construction Sales Tax: Shall mean the sales tax collected by the Town from purchases made by the Grantee while constructing the Restaurant Facility.

EDC: Shall mean the Northlake Economic Development Corporation.

Effective Date: Shall mean the last date on which all Parties execute the Agreement.

Grantee: Shall mean Roadhouse Enterprises, Inc., a Texas corporation.

Improvements: Shall mean the New Construction of a minimum 7,402 square-foot restaurant facility, which includes buildings, site work, public works utilities, parking and drives, landscaping, irrigation, and lighting.

New Construction: Shall mean the first-time construction of Improvements utilizing newly purchased materials, and specifically excluding any remodeling or renovations undertaken after issuance of the first Certificate of Occupancy.

Property: Shall mean the approximate 2.36 acres described in Exhibit A.

Restaurant Project: Shall mean the construction of the Improvements related to a restaurant facility.

Substantial Completion: Shall mean the issuance of a Certificate of Occupancy by the Town.

Town: Shall mean the Town of Northlake, Texas.

2. **Obligations of the Developer.** In consideration of the receipt of the Grant Payments under this Agreement, the Grantee shall, subject to events of force majeure under Section 4(c) hereof, reach Substantial Completion of the Improvements on or before December 31, 2020.
3. **Obligations of the Town.** Subject to the Grantee's performance of its obligations as noted herein, and subject to the provisions of this Section, to promote economic development pursuant to the Policy, the Town shall grant the following incentives to the Grantee (collectively, "**Grant Payments**"):
  - a. **Construction Sales Tax.** The Town receives and remits a total one percent (1%) sales tax to the EDCs (one-half percent (1/2%) to each the EDC and the CDC) for economic or community development (the "**EDCs Construction Sales Tax**"). The EDCs will provide a grant payment to the Grantee in the amount equal to the EDCs Construction Sales Tax generated and received by the Town as a result of the New Construction related to the Restaurant Project (the "**Construction Sales Tax Grant**").
    1. **Documentation.** The Grantee must submit to the Town and the EDCs a report accounting for the EDCs Construction Sales Tax incurred and paid by the Grantee showing that the Construction Sales Tax was sited and reported in the Town (the "**Construction Sales Tax Report**").
    2. **Payment.** The Sales Tax Grant is due and payable annually by the EDCs forty-five (45) days after the EDCs receive the EDCs Construction Sales Tax from the Comptroller and the Construction Sales Tax Report from the Grantee.
  - b. **Sales Tax Grant.** The Town receives and remits a total one percent (1%) sales tax to the EDCs (one-half percent (1/2%) to each the EDC and the CDC) for economic or community development (the "**EDCs Sales Tax**"). The EDCs will provide a grant payment to the Grantee in the amount equal to the EDCs Sales Tax generated and received by the Town as a result of sales related to the operation of the Restaurant Project (the "**Sales Tax Grant**") for a period of four (4) years from the date of Substantial Completion.
    1. **Documentation.** The Grantee must submit to the Town and the EDCs a report accounting for the EDCs Sales Tax generated from the Property (the "**Sales Tax Report**").
    2. **Payment.** The Sales Tax Grant is due and payable annually for four (4) years following the Effective Date by the EDCs forty-five (45) days after the EDCs receive the EDCs Sales Tax from the Comptroller and the Sales Tax Report from the Grantee.
  - c. **One-Time Grant of Sales Tax.** The Town will provide a one-time grant payment to the Grantee in the amount fifty thousand dollars (\$50,000.00) (the "**One-Time Sales Tax**").

*Grant*”). The One-Time Sales Tax Grant is due and payable at or within forty-five (45) days after Substantial Completion.

#### **4. Events of Default, Remedies, and Force Majeure.**

a. ***Events of Default.*** A default shall exist if any one or more of the following occurs:

- (i) The failure by Grantee to perform any obligation contained herein including the failure to reach Substantial Completion, subject to events of force majeure, by December 31, 2020 and/or the failure to submit proper documentation to the Town and the EDCs.
- (ii) The failure by the Town or the EDCs to perform any obligation contained herein including the obligation to provide Grant Payments.

In the event of an alleged default under this Agreement, written notice of the alleged default or failure of such Party to perform under this Agreement shall be given to such Party, specifying in reasonable detail the nature of the alleged default or failure. The defaulting Party shall have an opportunity to cure the default within thirty (30) calendar days for a monetary default or within sixty (60) days for a non-monetary default; provided however, that if such alleged default is not reasonably curable within such 30 or 60-day periods, the defaulting Party shall receive one hundred and twenty (120) calendar days to cure such default upon written notice to the other Party. This Agreement may be terminated by either Party if the default is not cured as provided herein.

b. ***Remedies.*** If a Party fails to cure a default under this Agreement, then any non-defaulting Party may seek (i) immediate injunctive relief and mandamus, (ii) specific performance, and (iii) actual damages (excluding special or consequential damages).

c. ***Force Majeure.*** If a party hereto is rendered unable, wholly or in part, by force majeure to carry out any of its obligations under this Agreement, except the obligation related to performance of a monetary obligation, then the obligations of such party, to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability so caused to the extent provided but for no longer period. Such cause, as far as possible, shall be remedied with all reasonable diligence. The term "force majeure", as used herein, shall include, without limitation of the generality thereof, (i) acts of God, strikes, lockouts, or other industrial disturbances, acts of the public enemy, orders of any kind of the Government of the United States or of the State of Texas or any civil or military authority, insurrections, riots, epidemics, quarantine restrictions, unusually severe weather, landslides, lightning, earthquakes, fires, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, and (ii) breakage or accidents to machinery, pipelines or canals, and (iii) any other incapacities of either party, whether similar to those enumerated or otherwise, any of which events in subclauses (i) (ii) or (iii) which are not within the control of the party claiming such inability and which such party could not have avoided by the exercise of due diligence and care. It is understood and agreed that the settlement of strikes and lockouts shall be entirely within the discretion of the party having the difficulty, and that the above requirement that any force majeure shall be remedied with all

reasonable dispatch shall not require the settlement of strikes and lockouts by acceding to the demand of the opposing party or parties when such settlement is unfavorable to it in the judgment of the party having the difficulty.

## **5. Miscellaneous Provisions.**

*a. **Enforcement.*** If this Agreement or any provision thereof is held to be invalid, illegal or unenforceable, then the Town and the EDCs shall use their best efforts in working with Grantee to restructure this Agreement and the Town's and the EDCs' respective obligations described herein, or take such curative actions as may be necessary to (i) bring this Agreement into compliance with the applicable provisions of federal, state or local law to the extent possible, (ii) revise this Agreement with as similar terms as possible to the provision held to be illegal, invalid, or unenforceable, and (iii) to achieve the intended Grant Payments under this Agreement for the Developer.

*b. **Grant Payment.*** The Grant Payments under this Agreement shall be paid solely from lawfully available funds pursuant to Texas Constitution Article II, Section 52-a, and Texas Local Government Code Chapter 380.

*c. **Beneficiaries.*** This Agreement shall bind and inure to the benefit of the Town, the EDCs and the Grantee and their successors and assigns. Each tenant of any building on the Property during the relevant 10-year grant term shall be a third-party beneficiary under this Agreement.

*d. **Assignment.*** The Grantee may not assign this Agreement, in whole or in part, without the prior written consent of the Town and the respective EDCs, such consent shall not be unreasonably denied, delayed, conditioned or withheld.

*e. **No Joint and Several Liability.*** The Town, the EDC and the CDC are not jointly and severally liable for their respective obligations under this Agreement. Therefore, the Grantee acknowledges and accepts that the Town does not guarantee the performance of the obligations of the EDC or the CDC under this Agreement. Further, that the EDC does not guarantee the performance of the obligations of the Town or the CDC under his Agreement, and that the CDC does not guarantee the performance of the obligations of the Town or the EDC under this Agreement.

*f. **Notice.*** The parties contemplate that they will engage in informal communications with respect to the subject matter of this Agreement. However, any formal notices or other communications (Notice) required to be given by this Agreement shall be given in writing addressed to the party to be notified at the address set forth below for such party, (a) by delivering the same in person, (b) by depositing the same in the United States Mail, certified or registered, return receipt requested, postage prepaid, addressed to the party to be notified, (c) by depositing the same with FedEx or another nationally recognized courier service guaranteeing "next day delivery," addressed to the party to be notified, or (d) by sending the same by electronic mail with confirming copy sent by mail. Notice deposited in the United States mail in the manner herein above described shall be deemed effective from and after three (3) days after the date of such deposit. Notice given in any other manner shall be effective only if and when received by the party to be notified. For the purposes of notice, the addresses of the parties, until changed as provided

below, shall be as follows:

The parties shall have the right from time to time to change their respective addresses, and each shall have the right to specify as its address any other address within the United States of America by giving at least ten (10) days written notice to the other parties. If any date or any period provided in this Agreement ends on a Saturday, Sunday, or legal holiday, the applicable period for calculating the notice shall be extended to the first business day following such Saturday, Sunday or legal holiday.

*g. Amendments.* The Agreement may only be amended by resolution or ordinance of the Town Council, together with written approval from all of the other Parties to this Agreement. No Town official has the authority to waive or modify the terms of the Agreement.

*h. Time.* Time is of the essence in all things pertaining to the performance of this Agreement.

*i. Entire Agreement; Severability.* This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, whether oral or written, covering the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by the Parties.

*j. Waiver.* Any failure by a Party hereto to insist upon strict performance by the other Party of any material provision of this Agreement shall not be deemed a waiver thereof or of any other provision hereof, and such Party shall have the right at any time thereafter to insist upon strict performance of any and all of the provisions of this Agreement.

*k. Applicable Law and Venue.* The construction and validity of this Agreement shall be governed by the laws of the State of Texas without regard to conflicts of law principles. This Agreement is performable in Denton County, Texas. Venue shall be in Denton County, Texas.

*l. Reservation of Rights.* To the extent not inconsistent with this Agreement, each Party reserves all rights, privileges, and immunities under applicable laws. This Agreement shall be enforceable under state and federal law.

*m. Further Documents.* The Parties agree that at any time after execution of this Agreement, they will, upon request of another Party, execute and deliver such further documents and do such further acts and things as the other Party may reasonably request in order to effectuate the terms of this Agreement.

*n. Recitals.* The recitals contained in this Agreement (a) are true and correct as of the Effective Date, (b) form the basis upon which the Parties negotiated and entered into this Agreement, and (c) reflect the final intent of the Parties with regard to the subject matter of this

Agreement. In the event it becomes necessary to interpret any provision of this Agreement, the intent of the Parties, as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect. The Parties have relied upon the recitals as part of the consideration for entering into this Agreement and, but for the recitals, would not have entered into this Agreement.

*o. Exhibits.* The exhibits on the List of Exhibits are attached to this Agreement and are incorporated as part of this Agreement. Any proposed change to an exhibit shall be considered a proposed amendment to this Agreement.

*p. Authority; Binding Obligation.*

- (i) The Town and the EDCs represent that this Agreement has been approved by the Town Council and the board of directors of the EDCs in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the Town has been duly authorized to do so.
- (ii) The Grantee represents and warrants that this Agreement has been approved by appropriate action of Grantee, that the individual executing this Agreement on behalf of Grantee has been duly authorized to do so, and that, when executed by such individual, this Agreement shall be binding upon and enforceable against Grantee.

*q. Effective Date.* This Agreement is effective on the last date that this Agreement is signed by a party hereto, (the “*Effective Date*”).
